San Fernando Christmas Tree Pick-Up
Residents Can Dispose of Trees through January 9

Crown Disposal will collect Christmas trees from San Fernando residents starting December 26 through January 9.

Residents should place their trees curbside no later than 7 a.m. on their designated refuse collection day. Trees can also be dropped off in the public parking lot located at First and Maclay, across from San Fernando City Hall.

Discarded trees must be free of ornaments, tinsel, lights and metal stands. Flocked trees, and trees in plastic bags, will not be accepted.

All trees will be recycled into high-quality mulch.

Crown Disposal is also reminding residents that refuse will not be collected on Christmas and New Year's Day; collection will run a day late for areas serviced on Thursday and Friday.
