Lane Closures Around Cesar E. Chavez Park
To Remain in Effect Until August 15

Motorists are advised of the following lane closures around Cesar E. Chavez Park:

Park Avenue. Northbound lane from Robert F. Kennedy Drive to Fourth Street.

Robert F. Kennedy Drive. Eastbound lane from Jessie Street to the Pacoima Wash.

Closures will remain in effect until August 15 to complete infrastructure installations at the San Fernando Regional Aquatics Facility.

The southbound lane of Park Avenue will remain open allowing access via Fourth Street to Cesar E. Chavez Park and the surrounding neighborhood. Park patrons are encouraged to use the drop-off/pick-up zone directly across from the recreation center. Area street parking will be limited to the east side of Park Avenue.

Advisory updates will be broadcasted on San Fernando Radio AM 1690.
