San Fernando Adds More Disaster Preparedness Classes *Free Trainings Start March 4*

Back by popular demand, the City of San Fernando has added another series of its free Community Emergency Response Training (CERT) classes. The trainings teach participants how to take care of themselves and their neighbors for the first three days following a disaster.

The following classes will be offered starting in March:

- March 4 - Emergency Preparedness and Earthquake Awareness
- March 11 - Fire Suppression
- March 18 - Disaster Medical First Aid
- March 25 - Disaster Medical Operations
- April 1 - Light Search and Rescue
- April 8 - Team Organization
- April 15 - Terrorism and Homeland Defense

Classes begin at 7:00 p.m. and will be held in the Las Palmas Park Community Room, 505 S. Huntington St. Those who attend all classes receive CERT certification, which in the event of a disaster, allows them to work with emergency response teams.
