### **“Brag About Your Bag®” Event, December 17**

***Residents Can Receive a FREE Reusable Shopping Bag at City Hall and Local Supermarkets***

In partnership with Heal the Bay and the County of Los Angeles, the City of San Fernando is inviting residents to participate in the “Brag About Your Bag®” campaign.

From 11 a.m. to 1 p.m. on Thursday, December 17, residents can exchange five single-use plastic bags for a FREE reusable shopping bag at the following San Fernando locations:

**Valu Plus Warehouse**  
315 San Fernando Mission Rd.

**Food 4 Less**  
2040 Glenoaks Blvd.

Residents can also receive two FREE reusable shopping bags at City Hall, 117 Macneil St. No bag exchanges required and supplies are limited.

The “Brag About Your Bag®” campaign is designed to encourage the public to recycle and decrease the use of plastic bags. Los Angeles County residents use approximately 6 billion single-use plastic bags a year and recycle less than 5 percent.
