

Community Workshops

PARKS & FACILITIES ASSESSMENT

FREE

Be a part of the City's condition and utilization assessment of the parks and recreation facilities in the City of San Fernando. Help answer the following questions:

- What are the most important community characteristics that make San Fernando a great place to live, work and play?
- What are the top facility needs?
- What are the top programming needs?

Thursday, March 9th, 6PM at Las Palmas Park

Wednesday, March 15th, 6PM at Recreation Park
