

NOTICE OF PUBLIC SCOPING MEETING

PROJECT TITLE: San Fernando Corridors Specific Plan Amendment
PROJECT LOCATION: City of San Fernando, CA
LEAD AGENCY: City of San Fernando
117 Macneil Street
San Fernando, CA 91340

The City of San Fernando (City), as the Lead Agency under the California Environmental Quality Act (CEQA), will prepare an Environmental Impact Report (EIR) to evaluate the amendment to the San Fernando Corridors Specific Plan (Specific Plan or Project). The Project would amend and update the existing Specific Plan and contain a comprehensive set of plans, exhibits, regulations, conditions and programs for orderly development within the City of San Fernando. The update to the Specific Plan would expand the boundaries from the existing Specific Plan and promote the development of a walkable, mixed-use, multi-modal environment that accommodates housing, retail, office, and light industrial uses.

A Public Scoping Meeting will be held **January 7, 2016 at 6:00 PM at the San Fernando City Hall in the City Council Chambers (117 Macneil Street, San Fernando, CA 91340)**. The Scoping Meeting will provide information regarding the Project and to present potential environmental impacts associated with the Project. A Notice Preparation of EIR for the Project was mailed out to responsible public agencies as well as interested parties required to receive copies on December 21, 2015. A copy of the NOP that includes a description of the Project and the Project Location is available for public review on the City of San Fernando Website at: www.sfcity.org.

Questions regarding the Scoping Meeting, the CEQA process, and/or comments on the NOP can be directed to: Mr. Federico Ramirez, Community Development Director, 117 Macneil Street, San Fernando CA 91340. You may also email your response to: framirez@sfcity.org.

Responses on the Project must be sent to the City of San Fernando no later than Thursday, January 21, 2016.
