

# HELP PLAN DOWNTOWN'S FUTURE!

PLEASE JOIN US AT THE DEVELOPMENT ADVISORY COMMITTEE (DAC) MEETING TO PLAN AND ENVISION FUTURE TRANSIT-ORIENTED ZONING NEAR THE SYLMAR/SAN FERNANDO METROLINK STATION

With a grant from the Los Angeles County Metropolitan Transit Authority (Metro), the City of San Fernando is seeking to update the *San Fernando Corridors Specific Plan* to:

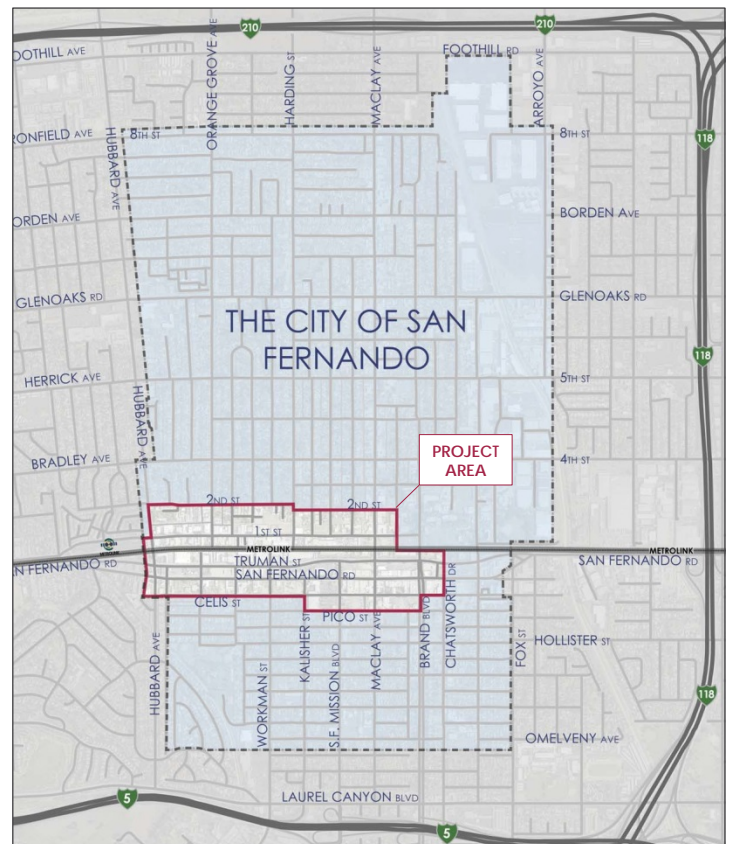

- Enable the creation of a walkable, mixed-use, multi-modal environment that accommodates commercial and residential land uses within walking distance of both the Sylmar/San Fernando Metrolink Station and Downtown San Fernando.
- Accommodate the new transit initiatives proposed by the East San Fernando Valley Transit Corridor Project.

Proposed Land uses and development standards will be presented by the City and Consultant to the DAC Committee as part of the TOD Project in order to solicit committee input. We invite you to attend and share your ideas and provide feedback on:
