# Commercial Electric Lawn and Garden Equipment Incentive and Exchange Program

## PROGRAM GOALS:

Improve air quality by exchanging older, polluting gasoline- or diesel-powered commercial lawn and garden equipment for new zero emission, battery electric commercial grade equipment for operation within South Coast AQMD's (SCAQMD) four-county region. Priority will be given to environmental justice (EJ) or disadvantaged communities which will be identified using the CalEnviroScreen mapping tool, but all users within the SCAQMD jurisdiction are eligible.

## ELIGIBILITY:

Commercial gardeners and landscapers, local government agencies, school districts and colleges, and non-profit organizations are eligible to participate. One equivalent operable gasoline- or diesel-powered piece of lawn and garden equipment must be scrapped to qualify for incentive funding towards battery-electric replacement equipment. Funding is not available to purchase gasoline-powered equipment under this new exchange program.

## MANUFACTURERS:

There are six participating manufacturers offering multiple dealer locations throughout SCAQMD's four-county region. Simply visit one of these participating locations and bring the operable gasoline or diesel equipment to be exchanged.

## PROCESS:

The participating dealers will test the old lawn and garden equipment for operability before responsibly draining all fluids and permanently destroying the old equipment through a licensed dismantler.

## NEW EQUIPMENT

There will be the opportunity to select from a wide variety of available makes and models of commercial-grade electric lawn and garden equipment, including handheld trimmers, chainsaws, pruners, backpack and handheld blowers and ride-on, stand-on, walk-behind and robotic lawn mowers.

## INCENTIVE FUNDING:

This exchange program reduces the purchase price of the commercial electric lawn and garden equipment. While SCAQMD will prioritize funding in EJ or disadvantaged communities to the extent possible, the program is available to all eligible participants who work or reside in the broader geographic area within SCAQMD's jurisdiction.

Pursuant to state law, sales tax will be charged on the full retail value of each new piece of equipment.

*This exchange program is funded through South Coast AQMD's Air Quality Investment Program and U.S. EPA Targeted Air Shed Grant.*

*Please check SCAQMD's website for the latest qualifying equipment and dealer locations.*

## Qualified Electric Lawn and Garden Equipment

|   | Equipment, Battery and Charger (bundle)                       | Purchaser Cost (plus tax) |
|---|---------------------------------------------------------------|---------------------------|
| 1 | Lawn mower, CLM-58V4AH w/58V4AH battery & 58VA charger        | \$200                     |
| 2 | String trimmer, CST-58V2AH, w/58V2AH battery & 58VA charger   | \$100                     |
| 3 | Handheld blower, CPLB-58V2AH, w/58V2AH battery & 58VA charger | \$92                      |
| 4 | Chainsaw, CCS-58V4AH, w/58V4AH battery & 58VA charger         | \$120                     |
| 5 | Hedge trimmer, CHT-58V2AH, w/58V2AH battery & 58VA charger    | \$120                     |

## Para Información

Para información en español por favor  
llame al 888-425-6247 (martes a viernes)

Commercial  
**LaVn & Garden**  
EQUIPMENT  
Incentive & Exchange Program

## Programa de incentivo para intercambio de maquinaria eléctrica comercial de césped y jardinería

### OBJETIVOS DEL PROGRAMA:

El mejorar la calidad del aire intercambiando maquinaria comercial vieja de césped y jardinería contaminante, de gasolina o diesel, por maquinaria comercial de césped y jardinería nueva, con batería eléctrica de alto grado, para operar dentro la región de la Administración de la calidad del aire de la Costa Sur (SCAQMD) abarcando cuatro condados. Habrá especial enfoque para identificar comunidades con desventaja ambiental o con necesidad de justicia ambiental (EJ) por medio de un sistema llamado CalEnviroScreen.

### LA ELEGIBILIDAD:

Jardineros y paisajistas profesionales, agencias locales gubernamentales, distritos escolares y colegios, y organizaciones no lucrativas son elegibles para participar. Cada pieza equivalente de césped y jardinería operable de gasolina o diésel debe ser desechada para calificar a un incentivo hacia el reemplazo a maquinaria con batería eléctrica de alto

grado. No habrá fondos disponibles para maquinaria de gasolina bajo este nuevo programa de intercambio.

### LOS FABRICANTES:

Hay seis fabricantes participantes ofreciendo varios lugares de intercambio en toda el área de la agencia SCAQMD. Visite uno de estos lugares de los fabricantes participantes y traiga su maquinaria operable de gasolina para intercambiar.

### EL PROCESO:

Los fabricantes participantes probarán la maquinaria vieja de césped y jardinería para verificar operatividad, vaciarán los fluidos responsablemente antes de enviarla a ser destruida permanentemente por medio de un desmantelador profesional.

### LA MAQUINARIA NUEVA:

Habrà la oportunidad de seleccionar de una amplia variedad de marcas y modelos en maquinaria eléctrica de alto

grado comercial de césped y jardinería incluyendo podadoras de mano, motosierras, despuntadoras, sopladoras de mano y de mochila, cortacéspedes de monte, de empuje y robóticas.

### FONDOS DE INCENTIVO:

Este programa de intercambio reduce el precio de la maquinaria eléctrica comercial de césped y jardinería. Mientras que SCAQMD dará prioridad en fondos a comunidades con desventaja ambiental al nivel más extenso posible, el programa estará disponible a todos los participantes elegibles que trabajen o residan en el área geográfica extensa dentro la jurisdicción de SCAQMD.

En cumplimiento con la ley estatal, los impuestos serán cobrados basados en el precio total de menudeo por cada pieza nueva.

# South Coast Air Quality Management District Incentive Programs

## Residential Electric Lawn Mower Rebate Program

Help clean the air by replacing your old gasoline lawn mower with a battery electric model and receiving a rebate based on the purchase price of your new mower.

[www.aqmd.gov/lawnmower](http://www.aqmd.gov/lawnmower)

## Residential EV Charging Incentive Pilot Program

The program will provide an incentive to buy-down the cost of residential chargers. The program is on a first come, first served basis and will provide up to \$250 for the cost of hardware for Level 2 residential chargers.

[www.aqmd.gov/home/programs/community](http://www.aqmd.gov/home/programs/community)

## Replace Your Ride

Qualified applicants could receive up to \$9,500 to replace their existing vehicle with a newer, cleaner model or other clean modes of transportation.

[www.replaceyourride.com](http://www.replaceyourride.com)

## Carl Moyer Program

Grants from the Carl Moyer Program for helping replace older heavy-duty diesels with cleaner technologies. The program includes on-road and off-road projects.

[www.aqmd.gov/moyer](http://www.aqmd.gov/moyer)

## Lower-Emission School Bus Program

Incentives to public school districts to purchase new clean buses in order to retire their highest-polluting buses.

[www.aqmd.gov/programs-preview/clean-school-buses](http://www.aqmd.gov/programs-preview/clean-school-buses)

## On-Road Heavy-Duty Voucher Incentive Program

Help for fleets with 10 or fewer vehicles to replace high-polluting vehicles with lower-emission ones, or to install retrofit devices.

[www.aqmd.gov/VIP](http://www.aqmd.gov/VIP)

## CLEANair Furnace Rebate Program

This program provides an incentive to residents within the SCAQMD's jurisdiction who purchase and install a compliant furnace that meets the SCAQMD Rule 1111 Nitrogen Oxide (NOx) emission limit.
