

TRAFFIC ADVISORY

GLENOAKS BLVD **Rehabilitation Project** **10/26/20 - 10/31/20**

The City of San Fernando would like to inform you that grinding and paving of the asphalt roadway on Glenoaks Blvd will begin on Monday, October 26, 2020 and continue through Saturday, October 31, 2020, from 7 am to 5 pm.

During the construction, the contractor will be grinding the pavement on Glenoaks Blvd, from Hubbard St to Arroyo Ave. The grinding will be followed by an asphalt pavement overlay.

Please be aware that this work will create some dust and a bumpy riding surface on Glenoaks Blvd and access to and from this street will be limited during paving operations. We courteously request the following:

- Please do not park your car on the street when "No Parking" signs are posted.
- Please do not water your lawn or cause water to drain onto the street during paving operations.
- Please do not drive onto newly paved areas until barricades are removed, including but not limited to driveways, sidewalk, street, etc.

If you have any questions, please call:
Moji Shah-karami, Project Inspector, at (310) 975-4117.

We appreciate your patience and cooperation during the construction period.
It is our goal to complete the work as timely as possible.
