AGENDA REPORT

To: Mayor Mary Mendoza and Councilmembers

From: Nick Kimball, City Manager

By: Sonia Gomez-Garcia, Interim Director of Finance/City Treasurer

Date: June 21, 2022

Subject: Consideration to Adopt a Resolution Approving the Warrant Register

RECOMMENDATION:

It is recommended that the City Council adopt Resolution No. 22-062 (Attachment "A") approving the Warrant Register.

BACKGROUND:

For each City Council meeting the Finance Department prepares a Warrant Register for Council approval. The Register includes all recommended payments for the City. Checks, other than special checks, generally are not released until after the Council approves the Register. The exceptions are for early releases to avoid penalties and interest, excessive delays and in all other circumstances favorable to the City to do so. Special checks are those payments required to be issued between Council meetings such as insurance premiums and tax deposits. Staff reviews requests for expenditures for budgetary approval and then prepares a Warrant Register for Council approval and or ratification. Items such as payroll withholding tax deposits do not require budget approval.

The Director of Finance/City Treasurer hereby certifies that all requests for expenditures have been signed by the department head, or designee, receiving the merchandise or services thereby stating that the items or services have been received and that the resulting expenditure is appropriate. The Director of Finance/City Treasurer hereby certifies that each warrant has been reviewed for completeness and that sufficient funds are available for payment of the warrant register.

AGENDA REPORT

To: Mayor Mary Mendoza and Councilmembers

From: Nick Kimball, City Manager

By: Sonia Gomez-Garcia, Interim Director of Finance/City Treasurer

Date: June 21, 2022

Subject: Consideration to Adopt a Resolution Setting the Fiscal Year 2022-2023 Article

XIIIB Appropriations (Gann) Limit

RECOMMENDATION:

It is recommended that the City Council adopt Resolution No. 8158 (Attachment "A") setting the Fiscal Year (FY) 2022-2023 Article XIIIB Appropriation Limit at \$69,125,050.

BACKGROUND:

- 1. In November 1979, the voters of the State of California approved Proposition 4, commonly known as the (Paul) Gann Initiative. Proposition 4 created Article XIIIB of the State Constitution and placed an annual limit on the amount of revenue that can be spent by all entities of government using each entity's 1978-1979 revenues as the base year.
- 2. The Appropriation Limit of Proposition 4 had little impact in its early years, but in 1987 the State of California refunded \$1.1 billion to taxpayers as a result of unexpectedly reaching their limit. The Proposition was also a major barrier to increasing gas taxes in the late 1980's.
- 3. In June 1990, to increase accountability of local governments in adopting their limits, the State voters approved Proposition 111. Proposition 111 amended Article XIIIB (Proposition 4) by requiring local jurisdictions to establish an annual review of the Appropriation Limit calculation.

ANALYSIS:

Appropriation Limit controls the amount of revenue that can be appropriated in any fiscal year to the "Proceeds of Taxes." Proceeds of Taxes include: all taxes levied by or for an agency, any revenues from license fees, general use charges and user fees to the extent that the proceeds exceed the cost of providing the service covered by the fee, and discretionary State subventions.

☐ City Manager

Consideration to Adopt a Resolution Setting the Fiscal Year 2021-2022 Article XIIIB Appropriations (Gann) Limit

Page 2 of 2

An increase over the prior year's limitation is allowed in three instances:

- 1. Percentage change in California fourth quarter personal income or the increase in the non-residential assessed valuation due to new construction, whichever is greater;
- 2. Percentage change in the population of the jurisdiction or the county in which the jurisdiction is located, whichever is greater; and
- 3. Corrections for previous computation errors.

Cities use the following adjustment factors to calculate the Gann:

- A. *Inflation Adjustment Factor*: Either the "Per Capita Personal Income Change" or the "Non-Residential Assessed Value Change."
- B. *Population Adjustment Factor*: Either the "City Population Change" or the "Los Angeles County Population Change."

The components used for the FY 2022-2023 Gann Limit calculation, as noted in Exhibit "1" of Attachment "A," are the increase in the Per Capita Personal Income Change of +7.55% and the City Population Change of +0.00%. The use of the two above-mentioned adjustment factors results in an increase in the Appropriation Limit of 7.55%, establishing an Appropriation Limit of \$69,125,050 for FY 2022-2023.

BUDGET IMPACT:

The total FY 2021-2022 revenues subject to the Appropriation Limit are well below the Appropriation Limit of \$69,125,050. Therefore, there is no impact to the FY 2022-2023 budget.

CONCLUSION:

A full analysis of appropriations subject to the Appropriations Limit is not required since the total General Fund budget, including Special Revenue Funds, is less than the Appropriation Limit. Approving the Resolution will set the FY 2022-2023 Article XIIIB Appropriation Limit at \$69,125,050.

AGENDA REPORT

To: Mayor Mary Mendoza and Councilmembers

From: Nick Kimball, City Manager

By: Michael E. Okafor, Personnel Manager

Date: June 21, 2022

Subject: Consideration to Adopt Resolutions Approving the Salary Plan and Table of

Organization for Fiscal Year 2022-2023

RECOMMENDATION:

It is recommended that the City Council:

- a. Adopt Resolution No. 8162 (Attachment "A") approving the Salary Plan for Fiscal Year (FY) 2022-2023;
- b. Adopt Resolution No. 8163 (Attachment "B") approving the Table of Organization for FY 2022-2023; and
- c. Authorize the City Manager to make non-substantive corrections and execute all related documents.

BACKGROUND:

- 1. On November 21, 2016, the City Council approved a four-year Memorandum of Understanding (MOU) (Contract No. 1838) with the San Fernando Part-time Employees' Bargaining Unit (SFPEBU) that includes certain changes in salaries and benefits for FY 2016-2017 through FY 2019-2020.
- 2. On June 18, 2018, the City Council approved a five-year MOU (Contract No. 1887) with the San Fernando Public Employees' Association (SFPEA) that includes certain changes in salaries and benefits for FY 2017-2018 through FY 2021-2022.
- 3. On February 20, 2019 and February 3, 2020, the City Council approved an employment agreement (Contract No. 1906) and an amendment (Contract No. 1906(a)), respectively, with the City Manager that includes applicable salaries and benefits.

- 4. On September 23, 2019, the City Council approved a five-year MOU (Contract No. 1932) with the San Fernando Police Officers' Association (SFPOA) that includes certain changes in salaries and benefits for FY 2019-2020 through FY 2023-2024.
- 5. On January 27, 2020, the City Council approved Resolution No. 7973 that established the salary and benefits for Department Heads for FY 2019-2020 through FY 2023-2024. Except for retirement benefits, the said salaries and benefits also apply to the Police Chief.
- 6. On February 3, 2020, the City Council approved a five-year MOU (Contract No. 1939) with the San Fernando Police Officers' Association Police Management Unit (SFPOA-PMU) that includes certain changes in salaries and benefits for FY 2019-2020 through FY 2023-2024.
- 7. On March 2, 2020, the City Council adopted Resolution No. 7991 to include a monthly stipend for the City's Representative to the Greater Los Angeles County Vector Control District.
- 8. On May 18, 2020, the City Council adopted Resolution No. 7973 (a) amending Resolution No. 7973 to include the City Clerk in the Executive Compensation Plan for Department Head classifications.
- On March 1, 2021, the City Council approved an extension on the MOU (Contract No. 1838(a)) with SFPEBU with an agreement that all current terms and conditions in the last MOU shall remain in effect until a successor agreement is reached between the parties.
- 10. On November 15, 2021, the City Council approved a three-year MOU (Contract No. 2039) with the San Fernando Police Civilians' Association (SFPCA) that includes certain changes in salaries and benefits for FY 2021-2022 through FY 2023-2024.
- 11. On March 7, 2022, the City Council approved a three-year MOU (Contract No. 2058) with the San Fernando Management Group (SFMG) that includes certain changes in salaries and benefits for FY 2021-2022 through FY 2023-2024.
- 12. On May 23, 2022, staff received a formal request from SFPEA to resume negotiation for a successor MOU, and negotiation is currently in progress.

ANALYSIS:

The attached Salary Plan and Table of Organization reflect salaries, benefits and personnel changes addressed in the FY 2022-2023 Budget, as well as provisions of applicable MOUs, Resolutions, and Employment Agreements that have already been approved by the City Council.

Consideration to Adopt Resolutions Approving the Salary Plan and Table of Organization for Fiscal Year 2022-2023

Page 3 of 3

The Salary Plan does not include any cost of living adjustments (COLA) for the bargaining units that are yet to conclude negotiation for successor MOUs (i.e., SFPEA and SFPEBU), as well as unrepresented confidential employees. Those will be addressed as soon as negotiations are concluded.

The existing compensation and benefits plan for both elected officers and non-elected officers, including commissioners, and appointed City representatives are also included in the Salary Plan.

BUDGET IMPACT:

Sufficient funds are included in the FY 2022-2023 Budget to cover all the salary and benefit adjustments as stipulated in the MOUs and Employment Agreements.

CONCLUSION:

Approval of the amended Salary Plan and Table of Organization is necessary to implement applicable changes in the FY 2022-2023 Budget, as well as the provisions of applicable MOUs, Resolutions, and Employment Agreements.

(C) <u>COMPENSATION FOR COMMISSIONS, BOARDS, COMMITTEE MEMBERS, AND COUNCIL LIAISON</u>

The members of the following commissions, boards, and committees, as well as City Council Liaison, who are not employees of the City, shall be paid the amount hereinafter specified for each meeting.

COMMISSION/COMMITTEE/LIAISON	COMPENSATION PER MEETING
	ATTENDED (NOT TO EXCEED
	ONE MEETING PER MONTH)
Disaster Council	\$75.00
Education Commission	\$75.00
Planning and Preservation Commission	\$75.00
Parks, Wellness, and Recreation Commission	\$75.00
Transportation and Safety Commission	\$75.00
Greater LA County Vector Control District Council Liaiso	on \$150.00
Metropolitan Water District (MWD) Representative	\$250.00

(D) <u>COMPENSATION FOR COUNCIL MEMBERS</u>

The members of the City Council shall be paid compensation in the amount of \$580.00 per month.

For other benefits applicable to Council members, please refer to Section 3(H) below.

SECTION 3: ADDITIONAL COMPENSATION AND BENEFITS

The following elective and non-elective officers, as well as employees shall be paid compensation in addition to the basic salary set forth in Section 2 as follows:

(A) GENERAL AND CONFIDENTIAL EMPLOYEES

Salary and benefits listed here apply to full-time employees assigned to **Schedule G** for General Employees (SFPEA) and reflect stipulations in the last MOU. They also apply to non-represented full-time employees assigned to **Schedule C** for regular Confidential Employees.

(1) SALARY

The salary ranges shown under **Schedules G** (for General Employees) **and C** (for unrepresented Confidential Employees) reflect stipulations from the last negotiated MOU (Contract No. 1887), and Salary Resolution (Resolution Number 8070), respectively, which expires June 30, 2022. Therefore, there is zero Cost of Living Adjustment (COLA) pending conclusion of negotiations.

In computing benefits that are a percentage of base salary (e.g., Longevity, Special Assignment Pay, etc.), each benefit is calculated independently over the base salary of each respective employee.

The salaries and benefits for Schedules G and C may change depending on the outcome of pending negotiations.

(2) LONGEVITY PAY

- A. The City shall pay unit employees that have completed 10 years of continuous service with the City, an additional 3% above the base salary step.
- B. The City shall pay unit employees that have completed 20 years of continuous service with the City, an additional 1% above the previous first longevity step, for a total of 4% above their base salary.
- C. The City shall pay unit employees that have completed 30 years of continuous service with the City, an additional 1% above the previous second longevity step, for a total of 5% above their base salary.
- D. An employee on leave of absence without pay or any form of leave without pay, with the exception of Federal or State family medical leave and/or military leave under the Uniformed Services Employment and Reemployment Rights Act (USERRA) and/or the California Military and Veterans Code, shall not have such leave time credited as service time for purposes of calculating the years of service.

(3) BILINGUAL BONUS

A monthly bilingual bonus shall be paid to those unit employees that qualify in accordance with the following conditions:

A. Field Employees: \$50 per month provided:

- The employee has demonstrated to the satisfaction of the City his/her fluency in the Spanish language based on a bi-annual oral testing procedure selected by the City;
- ii. The employee is required in the normal course of his/her duties to communicate in Spanish with members of the public, as determined by the Department Head and approved in writing by the City Manager.

B. Counter Employees: \$100 per month provided:

- The employee has demonstrated to the satisfaction of the City his/her fluency in the Spanish language based on a bi-annual oral testing procedure selected by the City.
- ii. The employee is employed in a job classification whose primary duties require the employee to communicate with members of the public.
- C. <u>Written Translation of City Materials: \$25 per month:</u> Employees who otherwise qualify for a bilingual bonus under subsection A and B above, shall receive an additional \$25 per month bilingual bonus when asked to translate City materials to Spanish for official publication.
- D. <u>Grandfather Provision:</u> Any field employee who has received bilingual pay of \$100 per month on a continuous basis since July 1, 2017 will receive the bilingual bonus in accordance with provisions set forth in subsection B above.

(4) OVERTIME

Non-exempt employees who work under the regular 7:30 a.m. - 5:30 p.m., 8a.m. – 5:00 p.m., Monday–Friday schedule, must be paid overtime or granted compensatory time off (CTO) at the employee's request, for all hours worked over forty (40) hours in a seven-day work period. Non-exempt employees who are under the 9/80 or other flex work schedule shall have a designated fixed workweek, and any hours worked over the specified maximum hours within the designated workweek must be paid as overtime or granted compensatory time off at the employee's request. The City shall comply with the provisions of the Fair Labor Standard Act (FLSA), and shall define the parameters of a standard workweek.

Overtime shall be paid at the rate of one and one-half (1.5) times the regular rate of pay for the excess time (overtime hours) worked during the workweek. The payment of overtime to non-exempt, employees will be based upon actual hours worked, which shall include vacation, holiday, and sick time.

Overtime will be equitably distributed amongst qualified employees within their department and classification. The City will develop a form which will be provided to

the employee who is offered the overtime and which allows the employee to indicate by his/her signature in what manner they want the overtime to be compensated (i.e. monetarily or through CTO).

The rate at which Contract (i.e., MOU) Overtime is calculated shall not include the City's Cafeteria Plan Allowance, the opt-out allowance, or any cash back an employee may receive from the Cafeteria Plan Allowance as set forth in applicable section of the SFPEA MOU, by choosing benefits that cost less than the Allowance.

(5) COMPENSATORY TIME OFF (CTO)

Unit employees may accrue a maximum of 100 CTO hours. CTO hours in excess of 100 hours must be paid at the rate of one and one-half (1.5) times the regular rate of pay.

The scheduling and use of CTO shall be subject to the approval of the employee's immediate supervisor or their designee. An employee who has requested the use of CTO is permitted to use such time "within a reasonable period" after making the request, unless it is determined that the employee's request would "unduly disrupt" the Department operations or impose an unreasonable burden on the Department's ability to provide services of acceptable quality and quantity for the public during the time required without the use of the employee's services.

(6) COURT APPEARANCE PAY

Any unit employee required to appear in court on behalf of the City during off-duty hours, shall be paid at one and one-half (1½) times his/her regular rate of pay for the duration of the court appearance, with a minimum of two (2) hours.

(7) SHIFT DIFFERENTIAL PAY

The City pays, in addition to base salary, an additional ninety dollars (\$90) per month to unit members required to work swing shift, and one hundred and twenty dollars (\$120) per month to unit members required to work graveyard shift.

When an employee is assigned to a specific shift eligible for shift differential pay, the employee will be paid the shift differential rate for that shift. In the event an employee works a different shift to fill in for sick leave, vacation, etc., employee will be paid at the rate for his/her assigned shift.

(8) STAND-BY PAY

All employees who are assigned to mandatory stand-by on the weekends and holidays shall be paid stand-by pay at the rate of \$1.50 per hour during the period when they are required to stand-by.

Employees assigned to mandatory stand-by must:

- A. Provide a phone number at which they can be contacted if a stand-by phone is not issued.
- B. Report to work within 1 hour of being contacted.
- C. Not be under the influence of alcohol, unlawful substances, or prescribed drugs that may impair their ability to perform duties.

At no point shall more than three (3) employees be on stand-by from all the divisions combined (including Water, Street and Tree, and Facilities).

(9) SPECIAL PROJECTS BONUS PAY

Employees in Public Works when assigned to the Special Projects Squad shall receive \$5.00 per hour for each hour over their base salary worked on designated special projects. Special Projects pay will not be paid in addition to Inspector pay. No more than three (3) persons will be authorized to receive Special Projects pay for any project; a fourth employee may be assigned to the Special Projects crew at the discretion of the Director of Public Works or their designee.

A "special project" shall be any new project work approved by the Director of Public Works which meets the following first criterion and at least one or more of the remaining criteria:

- A. <u>Nature of Work</u>: Special projects shall typically be one time, unique construction projects, and does not include on-going routine maintenance duties or deferred maintenance duties.
- B. <u>Short Deadline</u>: Work that would normally be performed as contractual services, but due to an immediate deadline, cannot reasonably be procured in a timely manner by the informal or formal City procurement process.
- C. <u>Unique Knowledge/Skills</u>: Work that would normally be performed as contractual services, but may be performed more efficiently or effectively by Public Works employees due to their unique knowledge of the project and/or work conditions, or due to special skills.
- D. <u>Demonstrated Cost Savings</u>: Work that would normally be performed by contractual services, but when assigned to Public Works employees can be performed more efficiently or effectively resulting in demonstrated project cost savings.

(10) WEEKEND BONUS PAY

The City shall provide weekend bonus pay to any employees assigned to rotating weekend work assignments. Employees who request to work the weekend shall not be eligible for Weekend Bonus Pay.

Any eligible employee that is required and scheduled to perform Weekend Shift duties will be compensated at the rate of an additional \$2.50 per hour over his or her base salary, for those hours spent on weekend assignment. To be eligible for Weekend Bonus Pay, the staff member must be regularly assigned and scheduled to work a weekend. Compensation for weekend shift shall be the employee's base salary plus the weekend bonus pay for hours worked on weekends. Weekend Bonus Pay shall not be included in the determination of Overtime premium rate or comp time. It shall not be combined with other established premium compensation such as stand-by pay, or any other shift pay.

(11) INSPECTOR DUTY PAY

The City agrees to continue the specialized inspector pay provisions consistent with agreed upon procedures including but not limited to requiring approval by the Department Head and providing for no more than one (1) inspector per project except by official exemption.

Any eligible Public Works field/building maintenance and/or utility employee who is required and scheduled to perform Inspector duties, which are outside of the duties provided in their class specification, will be compensated at the rate of an additional \$6.00 per hour over his or her base salary, for those hours actually spent on inspection.

To be eligible for Inspector Duty Pay, the employee must be certified and be on a Certification List created by the appropriate Department Head. An employee qualifies as "certified" for purposes of Inspector Duty Pay if they have (1) received state or local certification in the inspection subject, or in a related field, and/or (2) received and successfully completed City-sponsored trainings in the inspection subject or in a related field.

(12) CALL BACK

Any employee called back to work other than as continuation (immediately preceding or following) of his/her regular established work schedule shall be compensated at the rate of pay equal to one and one-half (1.5) times his/her regular hourly pay. The minimum period to be compensated for any such "callback" time shall be two (2) hours.

(13) WORKING OUT OF CLASS

An employee assigned by his or her Department Head, with City Manager approval, to perform duties outside of his or her job classification on a temporary basis will be

paid at the rate of five percent (5%) higher than their current base salary. This five percent working out of class pay shall continue until such time that the Department Head determines that the duties are no longer necessary or the position is reclassified.

(14) ACTING OUT OF CLASS

An employee assigned by his or her Department Head, with City Manager approval to perform duties of a higher level position or to act in a higher capacity outside of their own classification shall be paid at the rate of five percent (5%) higher than their current BASE salary, retroactive to the first day of the assignment, effective the fifth consecutive business day of working in that higher level assignment. If that assignment lasts longer than ten (10) consecutive work days, then the employee shall be paid at Step A of the higher classification or five percent (5%), whichever is higher, effective after the tenth consecutive business day of working in that higher level assignment.

In the event the employee is promoted to the higher level position, and has completed at least six (6) consecutive months in the higher level position to which they were promoted, and has received a satisfactory evaluation within 30 days prior to their promotion, the probation period shall be waived. All consecutive time worked of more than six consecutive months in that higher level position shall be considered time served in the position for seniority as it relates to bumping rights.

No employee shall be assigned to an acting out of class assignment for more than 960 hours.

The City shall ensure that anyone assigned to act in a higher capacity is adequately trained to fulfill the requirements of that higher class. Assignments to perform higher-level duties must be formal and in writing, and approved by the Department Head.

(15) HOLIDAY LEAVE

Employees who are required to work on a holiday shall receive holiday compensation at the rate of time and one-half $(1\ 1/2)$ times their base salary rate of pay in addition to their regular rate of pay for all hours worked.

Each unit employee shall be entitled to the following holidays with pay:

New Year's Day Martin Luther King, Jr. Day

Presidents' Day

Cesar Chavez Birthday (When Cesar Chavez birthday falls on any day except

Monday, the holiday will be observed on the Friday

following the actual holiday).

Memorial Day Juneteenth

Independence Day

Labor Day

Float day (Each July 1, employees will accrue a Floating holiday, if not

used within 12 months of receipt of the holiday, the

Floating holiday is lost).

Veterans Day Thanksgiving Day Day after Thanksgiving Christmas Day

(16) OTHER BENEFITS

For other benefits such as certification/license pays, uniform allowance, tuition and mileage reimbursements, sick and vacation leave, bereavement, catastrophic leave, Workers' Compensation, medical, dental, vision insurance, and retirement, and so on, that apply to Schedule G, please refer to their last MOU (Contract No. 1887).

(B) NON-SWORN GENERAL EMPLOYEES

Salary and benefits listed here apply to full-time, non-sworn general employees (i.e., San Fernando Police Civilians' Association (SFPCA) members) assigned to **Schedule GPD**, and reflect stipulations in the last MOU (Contract No. 2039).

(1) SALARY

The following salary ranges shown under **Schedule GPD** are consistent with the following provisions negotiated in the last MOU:

A. Effective the first day of the pay period that includes July 1, 2022, the base salary for each represented unit classification shall be increased by four (4) percent, with Classic First Tier CalPERS members picking up an additional one percent (1%) of the City's contribution to CalPERS for a total employee pickup of eight percent (8%) of the City's contribution.

If applicable, benefits that are a percentage of base salary will be applied to the employee's base salary only. If an employee is entitled to multiple percentage based benefits, each benefit will be calculated against base salary independently (i.e., benefits will not be compounded).

(2) LONGEVITY PAY

Employees hired by the City on or before June 30, 2018 are eligible for Longevity pay under the following terms:

A. Upon completion of 10 years of continuous service from date of hire, an additional 3% above the base salary step for each eligible employee.

- B. Upon completion of 20 years of continuous service from date of hire, an additional 1% above the previous first longevity step, for a total of 4% above the base salary step of each eligible employee.
- C. Upon completion of 30 years of continuous service from date of hire, an additional 1% above the previous second longevity step, for a total of 5% above the base salary step of each eligible employee.
- D. An employee on leave of absence without pay or any form of leave without pay, with the exception of Federal or State family medical leave and/or military leave under the Uniformed Services Employment and Reemployment Rights Act (USERRA) and/or the California Military and Veterans Code, shall not have such leave time credited as service time for purposes of calculating the years of service.
- E. Employees whose original or rehire date is after July 1, 2018 are ineligible for Longevity pay.

(3) BILINGUAL PAY

A bonus of \$100.00 per month shall be paid to those unit employees that qualify in accordance with the following conditions:

- A. The employee has demonstrated to the satisfaction of the City his/her fluency in the Spanish language based on written and/or oral testing procedure selected by the City with such testing to be conducted every five years;
- B. The employee is required in the normal course of his/her duties to communicate in Spanish with members of the public, as determined by the Department Head and approved in writing by the City Manager.
- C. Written Translation of City Materials: Employees who otherwise qualify for a bilingual bonus under subsection A and B above, shall receive an additional \$25 per month bilingual bonus when asked to translate City materials to Spanish for official publication.

(4) OVERTIME

Non-exempt employees who work under the regular 8a.m. – 5:00 p.m., Monday–Friday schedule, must be paid overtime or granted compensatory time off (CTO) at the employee's request as defined in Article 9, section 9.02 for all hours worked over forty (40) hours in a seven (7) day work period.

Non-exempt employees who are under the 9/80 or other flex work schedule shall have a designated fixed workweek, and any hours worked over the specified maximum hours within the designated workweek must be paid as overtime or granted

compensatory time off at the employee's request as defined in Article 9, section 9.02. The City shall comply with the provisions of the Fair Labor Standard Act (FLSA), and shall define the parameters of a standard workweek.

Overtime shall be paid at the rate of one and one-half (1.5) times the regular rate of pay for the excess time (overtime hours) worked during the workweek. The payment of overtime to non-exempt, employees will be based upon actual hours worked.

Overtime will be equitably distributed amongst qualified employees on a rotational basis. Overtime worked cannot interfere with an employee's assigned work schedule, which would allow seven and one-half (7 ½) hours between assigned work shifts (e.g. an employee cannot work a twelve-hour shift followed by an overtime shift or more than four hours; and then work his/her assigned shift consecutively as this would leave less than seven and one-half hours of rest time between assigned shifts).

Overtime offered to bargaining unit employees shall be posted to give members ample time to sign up for the overtime. A senior unit member may bump a junior member, as long as it does not interfere with the senior member's assigned work shift schedule. If a bargaining unit member calls out sick, overtime (if needed to cover the shift) will be offered on a seniority basis to cover the employee that has called out for his/her work shift (as long as overtime does not interfere with unit member's assigned shifts).

(5) <u>COMPENSATORY TIME OFF (CTO)</u>

The maximum number of CTO hours any non-exempt, non-sworn employee may accrue is 100 hours. CTO hours in excess of 100 hours must be paid at the rate of one and one-half (1.5) times the regular rate of pay.

The scheduling and use of CTO shall be subject to the approval of the employee's Department Head. An employee who has requested the use of CTO is permitted to use such time "within a reasonable period" after making the request, unless it is determined that the employee's request would "unduly disrupt" the Department operations or impose an unreasonable burden on the Department's ability to provide services of acceptable quality and quantity for the public during the time required without the use of the employee's services.

(6) <u>CALL BACK</u>

Any employee called back to work other than as a continuation (immediately preceding or following) of his/her regular established work schedule, shall be compensated as follows:

- A. When the employee is required to physically report for duty, the employee shall receive 1.5 times his/her regular rate of pay for the actual time worked, with a minimum of three (3) hours compensation for any such "callback."
- B. When the employee is required to perform work by phone or computer, the employee shall receive 1.5 times his/her regular rate of pay for the actual time worked, with a minimum of one hour. Telephone calls/computer/emails under 15 minutes per day shall be deemed *de minimus*, and employees shall receive no call back or compensation for such work.

(7) HOLIDAY LEAVE

Each unit employee shall be entitled to the following holidays with pay (8 hours per holiday):

New Year's Day
Martin Luther King, Jr. Day
Presidents' Day
Cesar Chavez Birthday
Memorial Day
Juneteenth
Independence Day
Labor Day
Veteran's Day
Thanksgiving Day
Day after Thanksgiving
Christmas Day
Floating Holiday

Floating holiday hours are credited each July 1st and must be used before June 30th. Unused floating holiday hours are not to be carried forward.

Employees that work a 5/8 or 9/80 schedule who are required to work on a holiday shall receive holiday compensation at the rate of time and one-half (1-1/2) times their normal rate of pay in addition to pay for all hours worked.

Employees that work a modified 3/12 work week shall be granted the same holidays as above and shall accrue 104 hours of Holiday leave per year, and shall be credited with 52 hours of Holiday leave each January 1st, and an additional 52 hours of Holiday leave each July 1st. Employees on the 3/12 work week shall schedule holiday leave in accordance with Police Departmental procedures.

Employees on the 3/12 work week will only be permitted to carry over 104 hours of accrued but unused holiday leave from one calendar year to the next. Employees on the 3/12 work week who, as of January 1st, have not lowered their accrued Holiday leave to 104 hours or less, shall not accrue additional hours until such time as the employee brings his/her accrual to (or under) the 104-hour cap. At that time, the employee will receive his/her full 52-hour allotment for that half year. Upon employee's separation from the City, any unused holiday leave shall be compensated at his/her regular rate of pay.

(8) UNIFORM ALLOWANCE

The City shall provide uniforms and/or equipment, as well as provide allowances as follows:

- A. Except for the Community Preservation Officer, unit members will receive two (2) complete sets of uniforms at time of hire, with two (2) replacements each year, an initial issue of one outdoor jacket with biennial (every even-numbered year) replacements, and an annual uniform allowance of \$300 per year. Clerical staff also receive one casual polo shirt. The Community Preservation Officer will receive five (5) replacement polo shirts per year, and one outdoor jacket with biennial replacements.
- B. <u>Boots/Shoes:</u> Employees who are required to wear certain shoes/boots for their position will receive \$100 per fiscal year to purchase work shoes/boots. All purchases shall be made in accordance with the City's purchasing policy.
- C. Uniforms shall consist of:

Clerical – Shirt/Casual Polo, skirt or pants, blazer, and vest

Police Desk Officer – Shirt, skirt or pants, name tag, tie, tie bar, and belt

Community Service Officer – Pants, shirt, jacket, belt and name tag

Community Preservation Officer – Polo shirt, and jacket

Uniform/Equipment Allowance shall be paid by separate payroll check semi-annually in the first full non-payroll week after November 15th and May 15th. Worn uniforms may be replaced by the City subject to the Department Head's approval. All worn uniforms must be turned in upon being replaced.

D. <u>Rain Gear:</u> The City shall provide rain gear to employees assigned to work in the rain.

(9) COURT APPEARANCE PAY

Any bargaining unit employee required to appear in court on behalf of the City during off-duty hours, shall be paid at one and one-half (1 $\frac{1}{2}$) times his/her regular rate of pay for the duration of the court appearance, with a minimum of two (2) hours.

(10) WORKING OUT OF CLASS

An employee assigned by his or her Department Head, with City Manager approval, to perform duties outside of his or her job classification on a temporary basis will be paid at the rate of five percent (5%) higher than their current base salary. This 5% working out of class pay shall continue until such time that the Department Head determines that the duties are no longer necessary or the position is reclassified. This provision will not apply to an employee temporarily assigned to fill a vacant higher-level classification, which shall be governed by "Acting Out of Class" provisions below (i.e., Section 9.05 of SFPCA MOU, Contract No. 2039).

(11) ACTING OUT OF CLASS

An employee assigned by his or her Department Head, with City Manager's approval, to perform the duties of a higher level classification due to a vacancy or prolonged absence in that higher level classification (e.g. vacation or other leave of absence) shall be paid as follows:

- 1. Effective on the fifth consecutive business day of assignment in that higher–level classification, five percent (5%) higher than their current base salary, retroactive to the first day of the assignment.
- 2. If that assignment lasts longer than ten (10) consecutive work days, then the employee shall be paid at Step A of the higher classification, or 5% higher than their current base salary, whichever is greater, effective after the tenth consecutive business day of working in that higher level assignment.

In the event the employee is promoted to the higher-level position, and has completed at least six (6) consecutive months in the higher-level position to which they were promoted, and has received a satisfactory evaluation within 30 days prior to their promotion, the probation period shall be waived. All consecutive time worked of more than six (6) consecutive months in that higher-level position shall be considered time served in the position for seniority as it relates to bumping rights.

No employee shall be assigned to an acting out of class assignment for more than 960 hours. The City shall ensure that anyone assigned to act in a higher capacity is adequately trained to fulfill the requirements of that higher class. Assignments to perform higher–level duties must be formal and in writing, and approved by the Department Head.

(12) CERTIFICATION PAYS

Employees who possess any of the certificates listed below prior to September 1, 2021 shall receive the commensurate certification pay effective the first day of the pay period that includes September 1, 2021. For employees who earned any of the certificates listed below, they will be eligible for such pay effective the first day of the pay period following the date they submit proof of the newly acquired certificate to the Personnel Division:

A. POST Certification

- i. Dispatcher Intermediate: Employees who hold a Dispatcher Intermediate Certificate from POST shall receive an additional 2.5% above their base salary step.
- ii. Dispatcher Advanced: Employees who hold a Dispatcher Advanced Certificate from POST shall receive an additional 2.5% above their base salary step.
- iii. Records Supervisor: Employees who hold a Records Supervisor Certificate from POST shall receive an additional 2.5% above their base salary step.

- G. <u>ATSSA</u>: Employees who hold certification as a Certified Traffic Control Technician from the American Traffic Safety Services Association shall receive an additional 5% above their base salary step.

- H. <u>NENA</u>: Employees who hold certification as a Certified Emergency Number Professional from the National Emergency Number Association shall receive an additional 5% above their base salary step.
 - I. <u>Building Inspector Pay</u>: An employee assigned to serve as Community Preservation and Building Inspector shall receive ten percent (10%) above base Community Preservation Officer pay. To serve as Community Preservation and Building Inspector, the employee must hold at least one valid certification as either a Residential Building Inspector or Commercial Building Inspector issued by the International Code Council (ICC) at the time of assignment. Possession of both ICC certificates as a Residential Building Inspector and as a Commercial Building Inspector are a condition of continued assignment within 18 months of the assignment.

(13) OTHER BENEFITS

For other benefits such as tuition and mileage reimbursements, vacation leave, medical, dental, vision insurance, retirement, and so on, that apply to Schedule GPD, please refer to their specific MOU (Contract No. 2039).

(C) PART-TIME EMPLOYEES

Salary and benefits listed here apply to part-time employees assigned to **Schedules H** (regular Hourly employees), **HFE** (Hourly Full-Time Equivalent employees), and **PFE** (Hourly Police Service employees), respectively, and reflect stipulations in the last MOU.

Schedule PFE shall apply to police service employees, such as Police Cadet, and Police Reserve Officers when activated for active Police Officer duties on an hourly basis. The salaries and benefits for the San Fernando Part-time Employees' Bargaining Unit (SFPEBU) may change depending on the outcome of pending negotiations.

(1) SALARY

The hourly rates shown under **Schedules H** and **HFE** reflect stipulations in the last MOU (Contract No. 1838), as follows:

- A. Classifications without Full-time Equivalency (FTE), categorized as **Schedule H**, and which have salary ranges above the required minimum wage, shall receive an increase in base salary, which is equal to the average increase received by classifications in the City's full-time non-sworn and non-management bargaining units (i.e., SFPEA and SFPCA). Such increases shall be effective on the same date as the classifications with an FTE.
- B. Classifications with Full-Time Equivalency (FTE), categorized as **Schedule HFE**, shall receive the same increase in base salary as the FTE positions. Such increases shall be effective on the same date as the FTE positions.

C. For Classifications that are directly impacted by the State mandated Minimum Wage Standard, as per State Senate Bill (SB) 3, effective July 1, 2022, salaries currently listed in this Resolution reflect no Cost of Living Adjustment. However, effective the pay period that included January 1, 2022; base salaries of applicable classifications were increased by seven and two-tenths percent (7.2%), as per the MOU, and reflects the State mandated fifteen-dollar (\$15.00) per hour minimum wage.

(2) VACATION LEAVE

In order to facilitate the transition in methodology from accruals based upon continuous years of employment to accruals based upon actual hours of service, the MOU (Contract No. 1838) stipulates as follows:

Effective January 1, 2017, each employee shall accrue vacation leave based upon hours actually worked each pay period, and the leave shall be calculated at a rate based upon total hours of City service, as follows:

- A. An employee with less than ten thousand (10,000) total hours of City service shall not accrue any vacation leave hours.
- B. An employee with then thousand (10,000) and up to twenty thousand (20,000) total hours of City service shall accrue 0.04 hours of vacation leave for each hour actually worked.
- C. An employee with twenty thousand (20,000) and up to twenty-five thousand (25.000) total hours of City service shall accrue 0.06 hours of vacation leave for each hour actually worked.
- D. An employee with twenty-five thousand (25,000) or more total hours of City service shall accrue 0.07 hours of vacation leave for each hour actually worked.

The maximum vacation leave accumulation for each unit employee shall be one hundred (100) hours. Except as otherwise provided hereafter, employees shall cease to accrue any additional hours until the vacation leave bank falls below the maximum accumulation cap. An employee denied vacation due to department staffing issues, who exceeds the maximum vacation accumulation cap due to such denial, shall continue to accrue vacation leave in excess of the cap until the department is able to allow sufficient vacation leave to bring the employee under the cap. However, this provision shall not apply if an employee does not request vacation leave until twenty-four (24) hours or less of reaching the maximum accumulation cap.

Upon death, retirement, or separation from service, an employee or his/her designated beneficiary, shall be paid out for one hundred (100%) of his/her accumulated vacation leave. Such vacation hours shall be paid out at the employee's

current hourly base salary at the time of the payout. For stipulations regarding deposit of previously earned paid leave, please refer to the MOU (Contract No. 1838).

(3) BILINGUAL PAY

The City shall pay a bilingual bonus at the end of each month worked, to unit employees that qualify in accordance with the following conditions:

- A. The employee has demonstrated to the satisfaction of the City his/her fluency in the Spanish language based on an oral testing procedure selected by the City; and
- B. The employee is required in the normal course of his/her duties to communicate in Spanish with members of the public, as determined by the Department head and approved in writing by the City Manager.

The bonus shall be paid as follows:

- B. An employee who works seventy-nine (79) hours or less per month shall be paid fifty dollars (\$50.00) per month.
- C. An employee who works eighty (80) hours or more per month shall be paid one hundred dollars (\$100.00) per month.

(4) UNIFORM ALLOWANCE/EQUIPMENT

The City shall provide each employee, who is required to wear a uniform, with three (3) complete sets of uniforms upon hire and in July of each fiscal year.

- A. The City will replace up to two (2) sets of uniforms per fiscal year due to damage or excessive wear and tear.
- B. The uniforms shall consist of those that the department deems necessary.
- C. All purchases shall be made in accordance with the City's purchasing policy.
- D. For the purpose of cleaning and laundering such uniforms, the City will continue to provide non-sworn part-time employees in the Police Department with an annual uniform allowance equal to fifty percent (50%) of the amount received by non-sworn full-time employees in the Police Department. As of July 1, 2016, this amount was one hundred and fifty dollars (\$150.00) for eligible employees in this unit.

The City shall provide appropriate gear to employees assigned to work in inclement weather, including but not limited to rain gear and jackets.

Employees who are required to wear specific shoes/boots for their position (i.e. Community Service Officers, Junior Cadets, Community Preservation Officers, and Maintenance Helpers, etc.) shall receive reimbursement for the purchase of such work shoes/boots of up to one hundred dollars (\$100.00) in July of each fiscal year.

(5) WORKING OUT OF CLASS

Any assignment to perform duties of a higher level position or act in a higher capacity outside one's job classification will be paid at the rate of at least 5% higher than the employee's current base salary for the duration of such assignment. The City shall ensure that anyone working in a higher capacity is adequately trained to fulfill the requirements of that higher class. Assignments to perform higher-level duties must be formally approved in writing by the Department head.

(6) OTHER BENEFITS

For other part-time employee benefits, please refer to their MOU (Contract No. 1838).

(D) POLICE OFFICERS' ASSOCIATION

Salary and benefits listed here apply to regular full time employees assigned to **Schedule P**, for Sworn Police Officers and Sergeants, and reflect stipulations in the last MOU (Contract No. 1932)

(1) SALARY

The following salary ranges shown under **Schedule P** are consistent with the following provisions negotiated in the last MOU:

A. Effective on the first day of the first full pay period beginning after July 1, 2022, the base salary for each represented unit classification shall be increased by four (4) percent, with classic CalPERS members picking up an additional one percent (1%) of the City's contribution to CalPERS for a total employee pickup of four (4%) of the City's contribution.

If applicable, benefits that are a percentage of base salary will be applied to the employee's base salary only. If an employee is entitled to multiple percentage based benefits, each benefit will be calculated against base salary independently (i.e., benefits will not be compounded).

(2) LONGEVITY PAY

A. <u>Tier One</u>: For unit employees hired prior to January 1, 2012, the City shall pay Longevity to all eligible unit members as follows:

- i. Upon completion of the fifth year of continuous service as a sworn employee with the City, an additional five percent (5%) over and above the base salary step for each employee in this category.
- i. Upon completion of the tenth year of continuous service as a sworn employee with the City, a total of seven and one-half percent (7½%) over and above the base salary step for each employee in this category.
- ii. Upon completion of the fifteenth year of continuous service as a sworn employee with the City, a total of ten percent (10%) over and above the base salary step for each employee in this category.
- **B.** <u>Tier Two:</u> For unit employees hired on or after January 1, 2012, the City shall pay Longevity to all eligible unit members as follows:
 - i. Upon completion of the fifth year of continuous service as a sworn employee with the City, an additional three percent (3%) over and above the base salary step for each employee in this category.
 - ii. Upon completion of the tenth year of continuous service as a sworn employee with the City, a total of four percent (4%) over and above the base salary step for each employee in this category.
 - iii. Upon completion of the fifteenth year of continuous service as a sworn employee with the City, a total of five percent (5%) over and above the base salary step for each employee in this category.
- **C.** <u>Elimination of Tiers</u>: Effective July 1, 2023, all unit shall be eligible to receive Longevity pay under Tier One.

(3) BILINGUAL PAY

The City shall provide bilingual pay in the amount of one hundred dollars (\$100) per month to unit employees that satisfy the following conditions:

- A. Employee has satisfactorily demonstrated to the City his/her fluency in the Spanish language, based on written and/or oral testing procedures as selected by the City; and
- B. Employee is required in the normal course of his/her duties to communicate in Spanish with members of the public, as determined by the Department head and approved in writing by the City Manager.

(4) FIELD TRAINING OFFICER

The City shall pay any sworn employee whom the department designates as a Field Training Officer (FTO) additional six percent (6%) per month above his or her base salary.

To the extent permitted by law, this pay shall be reported to CalPERS as compensation earnable and pensionable compensation pursuant to CCR §571(a) (4) and CCR §571.1(b) (3), Training Premium.

(5) MOTOR OFFICER

The City shall pay any sworn employee whom the department designates as a Motor Officer additional six percent (6%) per month above his or her base salary.

To the extent permitted by law, this pay shall be reported to CalPERS as compensation earnable and pensionable compensation pursuant to CCR §571(a) (4) and CCR §571.1(b) (3), Motorcycle Patrol Premium.

(6) CANINE OFFICER

Employees who are assigned to canine officer detail are entitled to compensation for the off-duty hours spent caring for, cleaning, grooming, feeding and training their canine and maintaining (including cleaning) their canine vehicle/unit. The City and the Association acknowledge that the Fair Labor Standards Act, which governs the entitlement to compensation for canine duties, entitles the parties to agree to the approximate number of hours per month spent for the performance of canine duties. The Fair Labor Standards Act also allows the City and the Association to agree on appropriate compensation for the performance of canine duties. It is the intent of the City and the Association through the provisions of this article to fully comply with the requirements of the Fair Labor Standards Act. In addition, the City and the Association believe that the following canine pay provision does comply with the requirements of the Fair Labor Standards Act.

The City shall provide special assignment pay to any sworn employee assigned to canine duty in the amount of six percent (6%) above his or her base salary. In addition, the City shall pay each canine officer two (2) hours of premium overtime compensation each week. This amount recognizes that the time spent off duty to care for, clean, feed, groom and train his or her assigned dog and the maintenance (including cleaning) of his or her assigned vehicle/unit shall be considered hours worked. The City and the Association have analyzed this issue and it has been determined that unit members spend, on average, 20 hours per month performing such work off-duty and that the compensation set forth above is adequate.

To the extent permitted by law, this pay shall be reported to CalPERS as compensation earnable and pensionable compensation pursuant to CCR §571(a)(4) and CCR §571.1(b)(3), Canine Officer/Animal Premium.

(7) DETECTIVES

The City shall pay any sworn employee whom the department designates as a Detective additional six percent (6%) per month above his or her base salary.

To the extent permitted by law, this pay shall be reported to CalPERS as compensation earnable and pensionable compensation pursuant to CCR §571(a)(4) and CCR §571.1(b)(3), Detective Division Premium.

(8) SCHOOL RESOURCE OFFICER

The City shall provide special assignment pay to any sworn employee who works as a School Resource Officer in the amount of six percent (6%) above that employee's base salary.

To the extent permitted by law, this pay shall be reported to CalPERS as compensation earnable and pensionable compensation pursuant to CCR §571(a)(4) and CCR §571.1(b)(3), D.A.R.E. Premium.

(9) POST CERTIFICATE AND EDUCATIONAL INCENTIVE PAYS

In order to receive Post Certificate and/or Educational Incentive Pay, unit employees must present certificates or degrees to the Personnel Division for verification and payroll processing. The employee shall be paid effective from the date the certificate or degree was officially received by the officially received by the Personnel Office. Transcripts shall not be accepted in lieu of eligible certificates or degrees.

The City shall provide Post Certificate/Educational Incentive Pay as follows:

- i. Employees with an intermediate POST certificate will receive an additional four percent (4%) above their base salary.
- ii. Employees with an Advanced POST certificate and/or a Bachelor of Arts or Science (BA/BS) Degree will receive an additional four percent (4%) above their base salary.
- iii. Employees with a Supervisory POST certificate and/or a Master of Arts or Science (MA/MS) Degree will receive an additional two and one-half percent (2.5%) above their base salary.

Employees that were receiving compensation for possession of an Associate's Degree as of January 1, 2012 are "grandfathered" and will continue to receive compensation in an amount equal to the Intermediate POST compensation. Otherwise, the City does not provide additional compensation for an Associate Degree.

An employee who possesses more than one of the degrees or certificates above shall receive the pay for each degree or certificate possessed. (Example: An employee with

a Bachelor's degree and an intermediate POST certificate would receive 4% for the Bachelor's, and 4% for the Intermediate POST, for a total of eight percent (8%) above their base salary. If the employee also had a Master's degree, the employee would receive an additional 2.5%, for a total of 10.5% above his or her base salary.

To the extent permitted by law, this pay shall be reported to CalPERS as compensation earnable and pensionable compensation pursuant to CCR §571(a)(2) and CCR §571.1(b)(2), Educational Incentive or POST Incentive, as applicable.

(10) UNIFORM ALLOWANCE

The City shall pay employees a uniform allowance of \$800 per year. The allowance may be paid in equal semi-annual installments in the first pay periods of June and December, each year. In addition, on a biennial basis, the City shall provide employees with one all-weather jacket.

To the extent permitted by law, this pay shall be reported to CalPERS as compensation earnable and pensionable compensation pursuant to CCR §571(a)(5), Uniform Allowance.

(11) OVERTIME

Employees shall receive time and one-half their regular rate of pay for all hours worked in excess of their regularly scheduled hours. In the event an employee takes sick leave on a regularly scheduled workday, and works beyond his/her regularly scheduled hours on that day, then the employee shall receive straight time compensation for the work beyond their regular schedule up to the duration of the sick leave used that day. Thereafter, all work beyond their regularly scheduled hours shall be compensated at the time and one-half rate. Employees may elect to be paid for overtime hours worked or receive compensatory time off, but in no event shall their compensatory time bank exceed 100 hours.

(12) COMPENSATORY TIME OFF

Employees are permitted to accrue up to one hundred (100) hours of compensatory time off at any given time. Compensatory time off is accrued at one and one-half hours for each hour of overtime worked. An employee will be allowed to use accrued but unused compensatory time off in compliance with the requirements of the FLSA.

(13) CALL BACK COMPENSATION

Any employee called back to work other than as a continuation (immediately preceding or following) of his/her regular established work schedule, shall be paid at one and one-half (1½) times the regular rate of pay for the actual time worked, with a minimum of three (3) hours.

When the employee is required to perform work by phone or computer, the employee shall receive one and one half (1.5) times the regular rate of pay for the actual time

worked, with a minimum of one (1) hour. Telephone calls under 15 minutes per day shall be deemed *de minimus* and receive no compensation.

(14) ON-CALL/STAND-BY FOR COURT

Any employee required to be on-call for court during off-duty hours, shall be paid at one and one-half (1½) times his/her regular rate of pay for two (2) hours for the morning session and two (2) hours for the afternoon session. If an employee is placed on-call for court and is subsequently called to testify during that same court session, the employee shall be paid for the combined duration of the actual time spent on-call and the actual time spent in the court appearance, at time and one-half (1.5) times his/her regular rate of pay, with a minimum of two hours.

(15) COURT APPEARANCE PAY

Any employee required to appear in court during off-duty hours, shall be paid at one and one-half (1%) times his/her regular rate of pay for the duration of the court appearance, with a minimum of two (2) hours.

(16) OUT OF CLASS PAY

Any unit member appointed to act in a higher classification and serving continuously in said classification for at least fifteen (15) continuous working days shall receive the pay established for said higher classification during the acting period, retroactive to the first day of said assignment. The City shall not assign an employee to an acting out of class assignment for more than 960 hours per fiscal year.

(17) PRE-EMPLOYMENT CONTRACT

Any employee hired after July 1, 2008 who voluntarily leaves the City within thirty-six (36) months of accepting employment as a police cadet or police officer, and who obtains employment as a police officer within the State of California within the subsequent 12 months, will be required to repay the City for the actual cost of training that employee, not to exceed \$500 per month for each month short of 36. Said payments may be accomplished by relinquishing accrued but unused Vacation leave, Holiday leave or CTO leave, or in monthly installments of \$500, or both, at the employee's option.

(18) OTHER BENEFITS

For other benefits such as holiday leave, medical, dental, vision insurance, and retirement, that apply to Schedule P, please refer to their MOU (Contract No. 1932).

(E) POLICE MANAGEMENT UNIT

Salaries and benefits listed here apply to regular full time employees assigned to **Schedule MP**, for Sworn Police Lieutenants, and reflect stipulations in the last approved MOU (Contract No. 1939).

(1) SALARY

The following salary ranges shown under **Schedule MP** are consistent with the following provisions negotiated in the last MOU:

A. Effective on the first day of the first full pay period beginning after July 1, 2022, the base salary for each represented unit classification shall be increased by four (4) percent, with classic CalPERS members picking up an additional one percent (1%) of the City's contribution to CalPERS for a total employee pickup of four (4%) of the City's contribution.

If applicable, benefits that are a percentage of base salary shall be applied to the employee's base salary only. If an employee is entitled to multiple percentage based benefits, each benefit will be calculated against base salary independently (i.e., benefits will not be compounded).

(2) ANNUAL LEAVE

Employees earn Annual Leave In lieu of Vacation and Sick Leave. Annual Leave is intended to provide time for an employee to be away from the work environment and to enable such employee to return to work mentally and physically refreshed.

The City shall provide for Annual Leave to accrue on a payroll to payroll basis prorated in accordance with the following rates:

160 hours for 1-5 years of City service 200 hours for 6-10 year of City service 240 hours for 11 or more years of City service

Annual Leave may be taken upon prior approval and in the manner prescribed by the Police Chief or his/her designee.

Starting June 30, 2022, unit members' Annual Leave accrual cap will be reduced from 800 hours to 700 hours maximum accrual per year. Upon the employee's separation from City service, the employee shall be compensated for any unused Annual Leave at his or her regular rate of pay.

Annual Leave Cash Out:

On or before December 31st of each calendar year, an employee may make an irrevocable election to cash out up to eighty (80) hours of accumulated Annual Leave at their regular rate of pay unit members may, at the employee's discretion, receive compensation for up to 80 hours of accumulated Annual Leave at their regular rate of pay in the following calendar year. On the pay day for the pay period which includes Thanksgiving in the following year, the employee will receive cash for the amount of Annual Leave the employee irrevocably elected to cash out in the prior year, provided the employee still has a minimum of eighty (80) hours of accrued Annual Leave

remaining after the cash out. For more details regarding this benefit, please refer to the MOU (Contract No. 1939).

(3) MANAGEMENT LEAVE

Management Leave provides a means of compensation for hours worked by exempt employees beyond their normal work schedule.

The City shall provide one hundred and twenty (120) hours of Management Leave per year, to be credited as follows:

- i. On January 1st of each year, employees shall be credited with eighty (80) hours Management Leave per year. On July 1st of each year, employees shall be credited with an additional forty (40) hours of Management Leave per year.
- ii. In the first pay period of December each year, the City shall cash out the employee's accrued balance of unused management leave, not to exceed 40 hours per year. With the exception of the maximum 40 hours of management leave that may be cashed out, all management leave hours must be used in the year earned, and cannot be carried over from one calendar year to the next.

(4) LONGEVITY PAY

- **A.** <u>Tier One</u>: For unit employees hired prior to January 1, 2012, the City shall pay Longevity to all eligible unit members as follows:
 - i. Upon completion of the fifth year of continuous service as a sworn employee with the City, an additional five percent (5%) over and above the base salary step for each employee in this category.
 - ii. Upon completion of the tenth year of continuous service as a sworn employee with the City, a total of seven and one-half percent (7½%) over and above the base salary step for each employee in this category.
 - iii. Upon completion of the fifteenth year of continuous service as a sworn employee with the City, a total of ten percent (10%) over and above the base salary step for each employee in this category.
- **B.** <u>Tier Two:</u> For unit employees hired on or after January 1, 2012, the City shall pay Longevity to all eligible unit members as follows:
 - i. Upon completion of the fifth year of continuous service as a sworn employee with the City, an additional three percent (3%) over and above the base salary step for each employee in this category.

- ii. Upon completion of the tenth year of continuous service as a sworn employee with the City, a total of four percent (4%) over and above the base salary step for each employee in this category.
- iii. Upon completion of the fifteenth year of continuous service as a sworn employee with the City, a total of five percent (5%) over and above the base salary step for each employee in this category.
- **C.** <u>Elimination of Tiers</u>: Effective July 1, 2023, all unit shall be eligible to receive Longevity pay under Tier One.

(5) POST CERTIFICATE AND EDUCATIONAL INCENTIVE PAYS

In order to receive Post Certificate and/or Educational Incentive Pay, unit employees must present certificates or degrees to the Personnel Division for verification and payroll processing. The employee shall be paid effective from the date the certificate or degree was officially received by the officially received by the Personnel Office. Transcripts shall not be accepted in lieu of eligible certificates or degrees.

The City shall provide Post Certificate/Educational Incentive Pay as follows:

- i. Employees with an intermediate POST certificate will receive an additional four percent (4%) above their base salary.
- Employees with an Advanced POST certificate and/or a Bachelor of Arts or Science (BA/BS) Degree will receive an additional four percent (4%) above their base salary.
- iii. Employees with a Supervisory POST certificate and/or a Master of Arts or Science (MA/MS) Degree will receive an additional two and one-half percent (2.5%) above their base salary.

Employees that were receiving compensation for possession of an Associates Degree as of January 1, 2012 are "grandfathered" and will continue to receive compensation in an amount equal to the Intermediate POST compensation. Otherwise, the City does not provide additional compensation for an Associate Degree.

An employee who possesses more than one of the degrees or certificates above shall receive the pay for each degree or certificate possessed. (Example: An employee with a Bachelor's degree and an intermediate POST certificate would receive 4% for the Bachelor's, and 4% for the Intermediate POST, for a total of eight percent (8%) above their base salary. If the employee also had a Master's degree, the employee would receive an additional 2.5%, for a total of 10.5% above his or her base salary.

To the extent permitted by law, this pay shall be reported to CalPERS as compensation earnable and pensionable compensation pursuant to CCR §571(a)(2) and CCR §571.1(b)(2), Educational Incentive or POST Incentive, as applicable.

(6) UNIFORM ALLOWANCE

Uniform allowance for Police Lieutenants shall be \$800 per year, payable in equal semi-annual installments in the first pay periods of June and December, each year. In addition, on a biennial basis, the City shall provide employees with one all-weather jacket.

To the extent permitted by law, this pay shall be reported to CalPERS as compensation earnable for all Classic CalPERS members pursuant to CCR §571(a)(2) and CCR §571.1(a)(5), Uniform Allowance.

(7) OUT OF CLASS PAY

Any unit member appointed by the Police Chief, with City Manager approval, to act in a higher classification, due to a vacancy or prolonged absence in that higher classification, and serving continuously in said classification for at least fifteen (15) continuous working days, shall receive the pay established for said higher classification during the acting period, retroactive to the first day of said assignment.

(8) CONTRACT DUTY

Unit members who, at the employee's discretion, work special assignments, typically referred to as "Contract Duty" shall be compensated on an hourly basis for all contract duty worked at one and one-half (1.5) times the "Top Step" base pay of a City Police Sergeant plus any longevity and certificate pay to which the employee is entitled.

"Contract Duty" shall mean police services contracted through the City and/or paid for by a private person, business, organization, entity or other government agency. Contract Duty may include police services paid for by grant funds received from other government agencies.

(9) VEHICLES

Unit members shall be assigned an unmarked multi-purpose police vehicle for use to and from work locations and for official City business in accordance with City policy.

shall be compensated for any unused Annual Leave at his or her regular rate of pay.

(7) MANAGEMENT LEAVE

The City shall grant each Management employee 80 hours of Management Leave per calendar year, to be credited each January 1. Up to 80 hours of any unused leave will be cashed out in December of each year. At the time of separation, any unused management leave hours will be paid at the employee's current hourly rate of pay, on a pro-rated basis.

(8) MILEAGE REIMBURSEMENT

Management employees who are required by the City to use their private vehicles for City business shall be reimbursed for mileage at the prevailing IRS rate.

(9) TUITION REIMBURSEMENT

The City shall reimburse Management employees for pre-approved courses to a maximum of \$3,000 per fiscal year. Approval must be obtained from the City Manager prior to enrolling in the course. Requests for reimbursement and approval must be in accordance with the City's policy on tuition reimbursement.

Tuition reimbursement shall be contingent upon employee satisfactorily completing course(s) with a minimum of a "B" grade, and commit to continued service (employment) to the City of San Fernando for the equivalent of the school units, not to exceed two years.

(10) TECHNOLOGY STIPEND

Effective on the first day of the pay period that includes January 1, 2022, the City will provide employees with \$100 per month as a technology stipend for use of personal technology for business purposes. Employees who have received a City-issued cell phone are ineligible for the technology stipend. The City will provide necessary hardware (e.g. laptop) for pre-approved telecommuting assignments. The technology stipend will serve as reimbursement for business use of personal internet connection.

(11) OTHER BENEFITS

For other benefits applicable to Management employees, such as medical, dental, vision insurance, retirement, and so on, that apply to Schedule M, please refer to their MOU (Contract No. 2058).

(G) DEPARTMENT HEADS

Salaries and benefits listed here apply to regular full-time employees designated as Department Heads assigned to **Schedule DH**, and reflect stipulations in the Council approved Resolution No. 7973:

(1) SALARY

- A. For Department Heads, the salary ranges shown under **Schedule DH** reflect the following, per Resolution No. 7973:
- i. Effective the first day of the first pay period beginning after July 1, 2022, the City shall increase the base salary for each Department Head by four percent (4%), with Classic CalPERS members picking up an additional one percent (1%) of the City's contribution to CalPERS for a total employee pickup of four (4%) of the City's contribution.

In computing benefits that are a percentage of base salary (e.g., longevity, bilingual, etc.) each benefit is calculated independently over the base salary of each respective employee.

(2) BILINGUAL PAY

Department Heads will receive bilingual pay in the amount of \$100.00 per month provided he or she has satisfactorily demonstrated to the City his/her fluency in the Spanish language, based on written and/or oral testing procedures as selected by the City.

(3) LONGEVITY PAY

- A. An additional 3% above the employee's base salary step upon completion of 10 years of continuous service with the City from date of hire.
- B. An additional 1% above the employee's base salary step, for a total of 4% over and above the base salary upon completion of 20 years of continuous service with the City from date of hire.
- C. An additional 1% above the employee's base salary step, for a total of 5% over and above the base salary upon completion of 30 years of continuous service with the City from date of hire.

Any unit employee on leave of absence without pay with the exception of Family & Medical Leave (FMLA) under the Uniformed Services Employment and Reemployment Rights Act (USERRA) and/or the California Military and Veterans Code, shall not have such leave time credited as service time for purposes of calculating the years of service.

(4) ANNUAL LEAVE

- A. Annual Leave accrual per pay period for all Management employees is as follows: 0 4 years of service: 6.15 Hours (160 Hours/Year); 5 9 years of service: 7.69 Hours (200 Hours/Year); and 10 or more years of service: 9.23 Hours (240 Hours/Year).
- B. Employees who have pre-existing Sick Leave and/or Vacation accrual balance shall convert Sick Leave to Annual Leave at the rate of One (1) Hour of Sick Leave to 0.5 Hours of Annual Leave; and convert Vacation to Annual Leave at the rate of One (1) Hour of Vacation to One (1) Hour of Annual Leave.
- C. Employees may, at his/her discretion, accrue up to eight hundred (800) hours of Annual Leave. Upon the employee's separation from City service, the employee shall be compensated for any unused Annual Leave at his or her regular rate of pay.

(5) MANAGEMENT LEAVE

The City shall grant each Department Head 120 hours of Management Leave per calendar year, to be credited each January 1. Up to 120 hours of any unused leave will be cashed out in December of each year. At the time of separation, any unused management leave hours will be paid at the employee's current hourly rate of pay.

(6) CAR ALLOWANCE

Department Heads will receive a City-provided vehicle or car allowance of \$300/month as compensation for attendance at off-site meetings, conferences, professional development, and any other business-related travel. Department heads receiving a City-provided vehicle or car allowance will not be reimbursed for mileage.

(7) TECHNOLOGY REIMBURSEMENT

Department heads may elect to receive a technology reimbursement of \$100/month in lieu of a City-issued cell phone. Department heads that continue to receive a City-issued phone will not receive the reimbursement.

(8) <u>DEPUTY CITY MANAGER</u>

Per Resolution No. 7973, the City Manager may at his or her discretion, designate no more than one (1) Department head as Deputy City Manager. A Department head designated as Deputy City Manager will receive ten percent (10%) special assignment pay on top of his or her base salary.

(9) OTHER BENEFITS

For other benefits such as severance pay, medical, dental, vision, retirement, and so on, that apply to the Department Heads, please refer to Resolution Nos. 7973 and 7973(a).

(H) CITY MANAGER

For the City Manager position, the following shall apply, but can change contingent upon negotiated contract:

(1) SALARY

The salary shown for the City Manager in this salary schedule reflects a Flat Rate as stipulated in his Contract Nos. 1906 and 1906 (a).

A. Per Contract No. 1906, effective July 1st of each calendar year, during the term of the Agreement, the City Manager's base salary shall be adjusted by a percentage equal to the annual percentage change to the May Consumer Price Index for All Urban Consumers (CPI-U) for the Los Angeles-Long Beach-Anaheim area.

Per the latest report issued by the U.S. Department of Labor, Bureau of Labor Statistics, the May 2021 CPI is 8%.

- B. Effective February 1, 2020, and each July 1st thereafter, the City Manager shall contribute two percent (2%) of his base salary toward the City's CalPERS pension cost until his contribution totals eight percent (8%).
- C. Effective February 1, 2020, the City shall deposit the sum of Five Hundred Dollars (\$500) per month in employee's 457 Deferred Compensation Plan.

(4) MISCELLANEOUS BENEFITS

The City Manager shall receive the following benefits in the manner prescribed under Resolution No. 7807 (which established the Salary and Benefits for Department Heads, and now replaced by Resolution No. 7973): Annual Leave, Management Leave, Bereavement Leave, Wellness Reimbursement, Holidays, and Automobile Allowance.

(5) OTHER BENEFITS

For other benefits such as severance pay, medical, dental, vision, retirement, and so on, that apply to the City Manager, please refer to Contract Nos. 1906 and 1906 (a).

(I) CITY COUNCIL

In addition to the compensation reported under Section 2 (D) above, members of the City Council shall also receive the following benefits:

(1) AUTOMOBILE ALLOWANCE

The City shall provide City Council members with an automobile allowance in the amount of Three Hundred Dollars (\$300) per month to assist the members with the cost of using and operating their own private vehicle, and to offset expenses such as gasoline, auto insurance, maintenance, repair, and other automobile related costs and expenses.

(2) MEDICAL, DENTAL AND VISION INSURANCE

City Council members shall receive any and all employee medical, dental, and vision insurance benefits otherwise accorded the City's executive management employees (Department heads). However, where a fixed Cafeteria Plan allotment is accorded for purchase of medical, dental, and vision insurance, and the Council member does not spend his or her entire allotment, the balance shall be placed into a deferred compensation plan (Section 457 Plan) maintained by the City.

(3) RETIREMENT

City Council members shall be entitled to retirement benefits, as per the stipulations of the State of California Public Employees' Retirement Laws.

(4) TECHNOLOGY REIMBURSEMENT

City Council members may elect to receive a technology reimbursement of \$100/month in lieu of a City-issued cell phone. Members that elect to receive a City-issued phone will not receive the reimbursement.

(5) WELLNESS REIMBURSEMENT

The City shall reimburse City Council members up to annual maximum of \$600 for reimbursable "wellness" expenses specifically incurred for health and welfare to the extent defined and permitted by Government Code, Section 53200(d). Medical exams, uninsured medical care costs, vision and dental expenses may qualify as health and welfare benefits. However, health club/fitness center membership, registration fees for health classes, and entrance fees for competitive events shall not qualify as health and welfare benefits.

SECTION 4: EMPLOYEES PLACED IN SAME STEP

For the purpose of placing this Resolution in effect as of the first day of the first pay period that includes July 1, 2021 and for the purpose of interpretation, each employee shall be placed in that salary step which he or she presently occupies in the range set forth for said position.

SECTION 5: INTERPRETATION INEQUITY

In case of an inequity of hardship affecting any employee in a particular classification by reason of the adoption of this Resolution, the Council may adjust the same and the Council's action thereon as entered on the minutes shall be final. The Council shall determine all matters of

interpretation of this Resolution and placement of employees in the proper salary steps and classification, and Council's decision on such matters as entered on the minutes shall be final.

SECTION 6: INTENT OF COUNCIL

It is the specific intent of the City Council that all officers and employees of the City for whom a salary range is specified in this Resolution or any amendment hereto shall be governed by the provision of this Resolution.

SECTION 7: REPEAL

Resolution No. <u>8070</u>, adopted June 21, 2021, all Resolutions amendatory thereof or in conflict herewith and all motions and actions of the City Council in conflict herewith or covering the same matters heretofore adopted or taken to be the same are hereby repealed.

SECTION 8: EFFECTIVE DATE

The City Clerk shall certify to the passage of this Resolution, and the same shall be in full force and effect as of the first day of the first pay period that includes July 1, 2022.

PASSED, APPROVED, AND ADOPTED THIS 21st day of June, 2022.

AGENDA REPORT

To: Mayor Mary Mendoza and Councilmembers

From: Nick Kimball, City Manager

By: Julia Fritz, City Clerk

Date: June 21, 2022

Subject: Consideration to Adopt a Resolution Calling For and Giving Notice of Holding a

> General Municipal Election on November 8, 2022, Request to Consolidate the Election with the Statewide General Election, Authorize the Los Angeles County Elections Official to Perform Election Services, and Adopting Regulations

Pertaining to Materials Submitted to the Electorate

RECOMMENDATION:

It is recommended that the City Council:

- Adopt Resolution No. 8156 (Attachment "A") calling and giving notice of the General a. Municipal Election to be held on Tuesday, November 8, 2022, for the election of three City Councilmembers to each serve four-year terms;
- Approve the request to consolidate the election with the Statewide General Election; request that the Board of Supervisors of the County of Los Angeles consent, and effectuate such consolidation to issue instructions to the Registrar-Recorder/County Clerk of the County of Los Angeles "County Registrar" to take any and all steps necessary for the holding of the consolidated election; and
- Adopt regulations pursuant to Elections Code (EC) Sections 13307 through EC 13313, c. pertaining to candidate statements and related materials submitted to the Electorate.

BACKGROUND:

- 1. On August 21, 2017, the City Council adopted Ordinance No. 1668 (Attachment "B"), to change the City's General Municipal Elections from March of odd-numbered years to November of even-numbered years to coincide with the statewide general election.
- 2. On November 6, 2018 and November 3, 2020, the City's General Municipal Elections consolidated and held concurrent with the Statewide General Elections and administered by the County Registrar.

CITY CLERK 117 MACNEIL STREET, SAN FERNANDO, CA 91340 (818) 898-1201 WWW.SECITY.ORG Consideration to Adopt a Resolution Calling For and Giving Notice of Holding a General Municipal Election on November 8, 2022, Request to Consolidate the Election with the Statewide General Election, Authorize the Los Angeles County Elections Official to Perform Election Services, and Adopting Regulations Pertaining to Materials Submitted to the Electorate

Page 2 of 2

ANALYSIS:

Pursuant to Division 3 of Chapter 2 (Administration) of the San Fernando Municipal Code (Attachment "B"), the City of San Fernando's General Municipal Election will be held on November 8, 2022 and consolidation with the Statewide General Election. Registered voters in the City of San Fernando will have the opportunity to elect three Councilmembers of the five-member City Council for a term of four years each. The three Councilmember seats for the four-year terms are presently occupied by incumbents Mary Mendoza, Sylvia Ballin and Hector A. Pacheco.

To request consolidation on the same day with the Statewide General Election, the City Council must adopt a resolution (Attachment "A") "calling for and giving notice of holding a General Municipal Election on November 8, 2022" and file a request with the Los Angeles County Board of Supervisors for consolidation, no later than July 11, 2022.

In conjunction with the calling of the General Municipal Election, and pursuant to Section 10002 of the Elections Code, the City can request that the Board of Supervisors permit the County Clerk to render services in conducting the General Municipal Election.

The opening of the candidate nomination filing period begins at 8:00 a.m. on Monday, July 18, 2022, and ends at 5:00 p.m. on Friday, August 12, 2022. This is the period that potential candidates may file nomination documents with the City Clerk Department. If an incumbent does not file the proper paperwork to run for re-election, the candidate filing period for that position will be extended to 5:00 p.m. on Wednesday, August 17, 2022.

BUDGET IMPACT:

The County Registrar provides an election costs estimator tool on their website to assist with estimating the City's election costs. Based on the information provided through the County Registrar's website and past election costs, the Fiscal Year 2022-2023 City Budget includes \$55,000 to cover the cost of the November 8, 2022 General Municipal Election.

CONCLUSION:

In accordance with California Election law, staff recommends that the City Council adopt Resolution No. 8156 calling and giving notice of the election on November 8, 2022, for the election of three City Councilmembers, requesting election consolidation, requesting that the Board of Supervisors of the County of Los Angeles authorize the County Registrar to perform election services, and adopting regulations pertaining to candidate statements.

- A. Resolution No. 8156
- B. Ordinance No. 1668

RESOLUTION NO. 8156

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN FERNANDO, CALIFORNIA (1) CALLING AND GIVING NOTICE OF THE GENERAL MUNICIPAL ELECTION TO BE HELD ON TUESDAY, NOVEMBER 8, 2022, FOR THE ELECTION OF THREE CITY COUNCILMEMBERS; (2) REQUESTING CONSOLIDATION OF SUCH ELECTION WITH THE STATEWIDE GENERAL ELECTION TO BE HELD ON THE SAME DAY; (3) REQUESTING THE BOARD OF SUPERVISORS OF THE COUNTY OF LOS ANGELES TO ISSUE INSTRUCTIONS TO THE REGISTRAR-RECORDER/COUNTY CLERK TO TAKE ANY AND ALL STEPS NECESSARY FOR THE HOLDING OF THE CONSOLIDATED ELECTION; AND (4) ADOPTING REGULATIONS PERTAINING TO CANDIDATE STATEMENTS

WHEREAS, under the provision of the laws relating to General Law cities in the State of California, a General Municipal Election of the City of San Fernando (the "City") shall be conducted on Tuesday, November 8, 2022, for the purpose of electing three (3) members of the City Council for the full term of four years; and

WHEREAS, it is desirable that said election be consolidated with the County-administered General Election to be held on the same date and that within the City the precincts, polling places, and election officers of the two elections be the same, and that the Registrar-Recorder/County Clerk of the County of Los Angeles ("County Registrar") canvass the returns of the City's General Municipal Election and that it be held in all respects as if it were part and parcel of the County-administered General Election; and

WHEREAS, it is necessary to secure the consent and order of the Board of Supervisors of the County of Los Angeles (the "Board of Supervisors") to effectuate such consolidation; and

WHEREAS, the City shall compensate the County Registrar for all necessary expenses incurred by the County in performing election services for the City; and

WHEREAS, the City Council approves the printing of the information for said election in the foreign languages requiring translation pursuant to the Voting Rights Act of 1965; and

WHEREAS, Elections Code Section 13307 provides that the City may adopt regulations pertaining to the recovery of certain costs associated with the printing, handling, translation, and mailing of candidate statements as filed with the elections officer; and

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SAN FERNANDO, DOES HEREBY RESOLVE, FIND, DETERMINE AND ORDER AS FOLLOWS:

SECTION 1. The recitals above and findings therein are true and correct and incorporated into the body of this Resolution by this reference.

SECTION 2. That pursuant to the requirements of the laws of the State of California relating to General Law cities, the City Council hereby orders and calls a General Municipal Election to be held in the City of San Fernando, California on Tuesday, November 8, 2022, to be consolidated with the County-administered General Election to be held on the same day for the purpose of electing three (3) members of the City Council for the full term of four years.

SECTION 3. Pursuant to the requirements of Section 10403 of the Elections Code, it is respectfully requested that the Board of Supervisors consent and agree to the consolidation of the City's General Municipal Election on Tuesday, November 8, 2022 with the County-administered election to be held on the same date.

SECTION 4. In connection with the County Registrar's administration of the City's November 8, 2022 General Municipal Election, the City further requests that the County Registrar be authorized and directed to: (a) review and verify vote by mail applications and signatures; (b) conduct registered voter verifications (including signature verifications) associated with the processing of any proposed General Municipal Election ballot measure; (c) provide the City with the appropriate election precinct data, to the extent required; (d) make available to the City such election facilities, ballot casting equipment and assistance as may be necessary to conduct the election in compliance with state law and the Board of Supervisor's approval; (e) canvass the election returns; (f) print and supply ballots for the election; (g) mail the City's sample ballots, including ballot measure question, arguments, rebuttals and impartial analysis; and (h) administer the City's General Municipal Election in all respects as if it were part and parcel of any other County Registrar administered election, implementing all such legally required or customarily employed measures and practices as may be necessary to conduct the election in a timely and legally compliant manner.

SECTION 5. The City shall reimburse the Country Registrar for any costs associated with the administration of said election upon presentation to the City of a properly approved bill.

SECTION 6. Pursuant to Section 13307 of the Elections Code, each candidate for elective office to be voted for at the City's November 8, 2022, General Municipal Election may prepare a candidate statement on a form acceptable to the County Registrar, as applicable, and made available through the City Clerk.

SECTION 7. Pursuant to Section 13307(a)(1) of the Elections Code candidate statements *may* include the following:

- (A) The name, age, and occupation of the candidate; and
- (B) A brief description of no more than 200 words of the candidate's education and qualifications as expressed by the candidate himself or herself.

SECTION 8. Pursuant to Elections Code Section 13307(a)(1), candidate statements **shall not** include the following:

- (A) The party affiliation of the candidate; or
- (B) References to membership or activity in partisan political organizations.

SECTION 9. All prospective candidates should be aware of the holding in *Dean v. Superior Court* (1998) 62 Cal.App.4th 638, which holds that a statement prepared by a candidate for inclusion in the voters' pamphlet *may not* include comments or statements concerning the qualifications (or alleged lack of qualifications) of one's opponents. Candidates, in an abundance of caution, should avoid making any reference to opponents in their candidate statements. Candidates should seek the advice of private legal counsel if unsure as to whether their candidate statement does or does not comply with applicable law before filing.

SECTION 10. The candidate statement shall be filed in typewritten form at the Office of the City Clerk at the time the candidate's nomination papers are filed. The candidate statement may be withdrawn, but not changed, during the period for filing nomination papers and until 5:00 p.m. of the next working day after the close of the nomination period.

SECTION 11. Subject to any logistical constraints imposed by the County Registrar by virtue of consolidation, the City Clerk shall have translated (from the English to relevant foreign languages authorized under the Voting Rights Act of 1965) and printed in the voters' pamphlet only the candidate statements of those candidates who request such translation and printing at the time of filing of the candidate statements.

SECTION 12. No candidate for any elected office of the City shall be permitted to include additional materials in the voters' pamphlet and sample ballot package.

SECTION 13. Each candidate for any of the offices to be elected at the General Municipal Election to be conducted on November 8, 2022, who files a candidate statement shall, as a condition of having his or her candidate statement included in the voters' pamphlet, concurrently deposit with the City Clerk an amount, as reasonably estimated by the City Clerk, to pay in advance his or her estimated *pro rata* share of the actual costs of printing and handling such candidate statements incurred by the City and/or the County Registrar as a result of providing such service at the time of filing such statement with the City Clerk. In the event that the amount paid as a deposit by a candidate includes overpayment of actual costs incurred by the City and/or the County Registrar, the City Clerk shall prorate the excess amount among the candidates and refund the excess amount paid within thirty (30) days following the date of the election.

SECTION 14. The City Clerk shall provide each candidate or candidate's representative a copy of this Resolution at the time nominating petitions are issued.

SECTION 15. The ballots to be used at the election shall be in form and content as required by law.

SECTION 16. The City Clerk is authorized, instructed and directed to coordinate with the County Registrar to procure and furnish any and all official ballots, notices, printed matter and all supplies, equipment and paraphernalia that may be necessary in order to properly and lawfully conduct the election.

SECTION 17. The polls for the election shall be open at seven o'clock a.m. of the day of the election and shall remain open continuously from that time until eight o'clock p.m. of the same day when the polls shall be closed, pursuant to Elections Code Section 10242, except as provided in Section 14401 of the Elections Code.

SECTION 18. In all particulars not recited in this Resolution, the election shall be held and conducted as provided by law for holding municipal elections.

SECTION 19. In the event of a tie vote (if any two or more persons receive an equal and the highest number of votes for an office) as certified by the County Registrar, the City Council, in accordance with Elections Code Section 15651(a), shall set a date and time and place and summon the candidates who have received the tie votes to appear and will determine the tie by lot (i.e., coin toss, draw straws, drawing of names).

SECTION 20. The City Clerk shall forward without delay, a copy of this Resolution to the appropriate public agency which shall be assisting the City with the conduct of its General Municipal Election.

SECTION 21. This Resolution shall take effect immediately upon its adoption by the City Council and the City Clerk shall certify to the passage and adoption of this Resolution and enter it into the book of original Resolutions.

PASSED, APPROVED AND ADOPTED this 21st day of June, 2022.

ORDINANCE NO. 1668

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SAN FERNANDO, CALIFORNIA, REPEALING ORDINANCE NO. 1452 AND MOVING THE DATE OF GENERAL MUNICIPAL ELECTIONS FROM THE FIRST TUESDAY AFTER THE FIRST MONDAY IN MARCH OF ODD-NUMBERED YEARS TO THE FIRST TUESDAY AFTER THE FIRST MONDAY IN NOVEMBER OF EVEN-NUMBERED YEARS BEGINNING NOVEMBER 6, 2018

WHEREAS, general law cities, such as the City of San Fernando (the "City"), are obligated to conduct general and special municipal elections in accordance with the California Elections Code (the "Elections Code"), per Elections Code Section 10101, et seq.;

WHEREAS, the City currently conducts its general elections on the first Tuesday after the first Monday in March in each odd-numbered year, pursuant to City Council Ordinance No. 1452 and Elections Code Section 1301:

WHEREAS, on September 1, 2015, Governor Jerry Brown signed Senate Bill 415 ("SB 415") into law;

WHEREAS, commencing January 1, 2018, SB 415 prohibits the City from holding an election on any date other than a statewide election date, as doing so in the past has resulted in turnout that is at least twenty-five percent (25%) below the average turnout in that jurisdiction in the last four statewide general elections;

WHEREAS, Section 14052(b) of the Elections Code allows the City to hold elections on dates other than statewide election dates, after January 1, 2018, if it adopts a plan to consolidate futures elections with statewide elections no later than the November 8, 2022 statewide general election;

WHEREAS, on July 18, 2016, the City adopted Resolution No. 7754, which set forth the City's intention and plan to begin holding its elections on the first Tuesday after the First Monday in November no later than November 8, 2022; and

WHEREAS, on July 17, 2017, the City Council conducted a public hearing and considered approval of an ordinance to begin holding its elections on the November statewide election date beginning on November 8, 2022. After discussion, the City Council directed staff to accelerate the switch to statewide election dates and to prepare an ordinance for City Council consideration to switch to statewide election dates beginning with the November 6, 2018 election.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SAN FERNANDO, CALIFORNIA DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. The facts set forth in the recitals above are true and correct and incorporated herein by reference.

SECTION 2. Ordinance No. 1452 is hereby repealed and rescinded in its entirety and superseded by this Ordinance No. 1668.

SECTION 3. Resolution No. 7754 is hereby repealed and rescinded in its entirety.

SECTION 4. Pursuant to Elections Code Section 1301 and in compliance with SB 415, general municipal elections for the City of San Fernando are hereby moved from the first Tuesday after the first Monday in March of odd-numbered years to the first Tuesday after the First Monday in November of even-numbered years, commencing November 6, 2018. In recognition of the foregoing and subject to approval of this ordinance and the proposed change of election date contemplated herein by the Los Angeles County Board of Supervisors, Division 3 of Chapter 2 (Administration) of the San Fernando Municipal Code, which is currently designated as "Reserved" is hereby amended in its entirety to now state the following,

Division 3. - General Municipal Elections.

2.91 Date of General Municipal Elections; Consolidation with County.

- (a) The city shall hold its general municipal elections on the first Tuesday after the first Monday in November of each even-numbered year, commencing with a general municipal election to be held on November 6, 2018.
- (b) General municipal elections held pursuant to this Section be consolidated with the concurrent statewide election of the same date administered by the Registrar-Recorder for the County of Los Angeles unless the County Board of Supervisors denies such consolidation pursuant to Elections Code Section 10402.5. In the event the County Board of Supervisors denies consolidation in any given year, the City reserves the right to administer the election on its own, through the office of the City Clerk, or in cooperation with any other public agency to the extent authorized by law.

SECTION 5. In order to accommodate the new election schedule, the terms for City elected officials who were victorious at elections in 2015 and 2017 shall be subject to a reduction of approximately four months from terms of office as follows:

	Elected (by standard odd-year municipal election)	Original End of Term	New End of Term Due to SB 415
Councilmember 1	March 2015	March 2019	November 2018
Councilmember 2	March 2015	March 2019	November 2018
Councilmember 3	March 2015	March 2019	November 2018
Councilmember 4	March 2017	March 20 21	November 20 20
Councilmember 5	March 2017	March 20 21	November 20 20

SECTION 6. In accordance with Elections Code Section 10403.5(b), this Ordinance shall cause no elected city terms of office to be increased or decreased by more than twelve (12) months.

<u>SECTION 7.</u> <u>Inconsistent Provisions</u>. Any provision of the San Fernando City Code or appendices thereto that conflicts with the provisions of this Ordinance, to the extent of such conflict and no further, is hereby repealed or modified to the extent necessary to affect the provisions of this Ordinance.

SECTION 8. Severability. If any section, subsection, subdivision, paragraph, sentence, clause or phrase of this Ordinance, or any part thereof is for any reason held to be invalid or unconstitutional by a decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance or any part thereof. The City Council hereby declares that it would have passed each section, subsection, subdivision, paragraph, sentence, clause or phrase thereof, irrespective of the fact that any one or more section, subsection, subdivision, paragraph, sentence, clause or phrase would be subsequently declared invalid or unconstitutional.

<u>SECTION 9.</u> <u>Publication</u>. The Mayor shall sign and the City Clerk shall attest to the passage of this Ordinance. The City Clerk shall cause the same to be published once in a newspaper of general circulation within fifteen (15) days after its adoption.

SECTION 10. Effective Date/Operative Date. This Ordinance shall become effective thirty (30) days after a second reading and adoption. This Ordinance shall become operative upon approval by the Los Angeles County Board of Supervisors, per Elections Code Section 1301(b).

SECTION 11. The City Clerk is directed to forward without delay to the County of Los Angeles Board of Supervisors and to the County of Los Angeles Registrar/Recorder/ County Clerk, each a certified copy of this Ordinance.

PASSED, APPROVED, AND ADOPTED by the City Council of the City of San Fernando at its regular meeting on this 21st day of August, 2017.

From: Nick Kimball, City Manager

By: Julia Fritz, City Clerk

Date: June 21, 2022

Subject: Consideration to Approve the Fair Political Practices Commission – 2022 Conflict

of Interest Code Local Agency Biennial Notice Requirement

RECOMMENDATION:

It is recommended that the City Council:

- a. Receive and file the 2022 Conflict of Interest Code Local Agency Biennial Notice (Attachment "A") requirement from the Fair Political Practices Commission ("FPPC"); and
- b. Authorize the City Manager, or designee, to complete the Notice and submit all related compliance documents to the FPPC.

BACKGROUND:

- The Fair Political Practices Commission ("FPPC") created in 1974, consists of a five-member independent, non-partisan commission. The FPPC is primarily responsible for the impartial and effective administration of regulations set forth in the Political Reform Act ("Act") (California Government Code 81000, et seq.). The Code lists each position within the agency filled by individuals who make or participate in making governmental decisions that could affect their personal economic interests.
- 2. On November 16, 2020, the City Council adopted Resolution No. 8043 (Attachment "B") that amended the City's Conflict of Interest Code.
- 3. On May 6, 2022, the City Clerk received notice from the FPPC (Attachment "A") that San Fernando's mandatory biennial review to determine if it is accurate or, alternatively, the City's adopted Code requires amendments and reviewed by the City Council by October 1, 2022.

Consideration to Approve the Fair Political Practices Commission – 2022 Conflict of Interest Code Local Agency Biennial Notice Requirement

Page 2 of 2

ANALYSIS:

The Political Reform Act ("Act") regulates campaign financing, conflicts of interest, lobbying, and governmental ethics to ensure that public officials act in a fair and unbiased manner in the governmental decision-making process, to promote transparency in government, and to foster public trust in the political system. The Act requires every state and local government agency to review its adopted Conflict of Interest Code ("Code") (Attachment "B") biennially to determine its accuracy.

The Code designates public officials, government employees, and consultants ("designated filer") that make, or participate in making, decisions that may foreseeably have a material effect on economic interests and establishes categories for designated filers to complete the Statement of Economic Interests Form 700, and filed with the City Clerk Department.

Proposed amendments to the Code must be adopted by the City Council within 90 days of submitting the Notice, i.e., on or before October 1, 2022. During the 90-day period, staff will perform a review of proposed revisions to the list of designated positions and categories for officers and employees of the City and its legislative bodies, pursuant to Government Code Section 87306 and Section 18730 of Title 2, Division 6 of the California Code of Regulations. A Resolution approving amendments to the Code and will be brought to City Council for consideration prior to October 1, 2022.

BUDGET IMPACT:

The biennial update of the City's Conflict of Interest Code is included in the City Clerk's regular work plan and, therefore, included in the Fiscal Year 2022-2023 City Budget.

CONCLUSION:

Staff recommends that the City Council receive and file the 2022 Conflict of Interest Code Local Agency Biennial Notice (Attachment "A") requirement from the Fair Political Practices Commission ("FPPC"), and authorize the City Manager, or designee, to complete the Notice and submit all related compliance documents to the FPPC prior to October 1, 2022.

2022 Conflict of Interest Code Biennial Notice Instructions for Local Agencies

The Political Reform Act requires every local government agency to review its conflict of interest code biennially. A conflict of interest code tells public officials, governmental employees, and consultants what financial interests they must disclose on their Statement of Economic Interests (Form 700).

By **July 1**, **2022**: The code reviewing body must notify agencies and special districts within its jurisdiction to review their conflict of interest codes.

By October 3, 2022: The biennial notice must be filed with the agency's code reviewing body.

The FPPC has prepared a 2022 Local Agency Biennial Notice form for local agencies to complete or send to agencies within its jurisdiction to complete before submitting to the code reviewing body. The City Council is the code reviewing body for city agencies. The County Board of Supervisors is the code reviewing body for county agencies and any other local government agency whose jurisdiction is determined to be solely within the county (e.g., school districts, including certain charter schools). The FPPC is the code reviewing body for any agency with jurisdiction in *more than one county* and will contact them.

The Local Agency Biennial Notice is not forwarded to the FPPC.

If amendments to an agency's conflict of interest code are necessary, the amended code must be forwarded to the code reviewing body for approval within 90 days. An agency's amended code is not effective until it has been approved by the code reviewing body.

If you answer yes, to any of the questions below, your agency's code probably needs to be amended.

- Is the current code more than five years old?
- Have there been any substantial changes to the agency's organizational structure since the last code was approved?
- Have any positions been eliminated or re-named since the last code was approved?
- Have any new positions been added since the last code was approved?
- Have there been any substantial changes in duties or responsibilities for any positions since the last code was approved?

If you have any questions or are still not sure if you should amend your agency's conflict of interest code, please contact the FPPC. Additional information including an online webinar regarding how to amend a conflict of interest code is available on FPPC's website.

RESOLUTION NO. 8043

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN FERNANDO, CALIFORNIA, ADOPTING A REVISED LIST OF DESIGNATED POSITIONS AND DISCLOSURE CATEGORIES FOR OFFICERS AND EMPLOYEES OF THE CITY AND ITS LEGISLATIVE BODIES, PURSUANT TO GOVERNMENT CODE SECTION 87306 AND SECTION 18730 OF TITLE 2, DIVISION 6 OF THE CALIFORNIA CODE OF REGULATIONS

WHEREAS, the purpose of the conflict of interest provisions of the Political Reform Act (Gov. Code, §87300, et seq.) (the "Act") is to prevent public decisions makers from participating decisions in which they have a personal financial stake; and

WHEREAS, the Act requires public officials and employees to complete Form 700 Statements of Economic Interests, to disclose financial interests which may be impacted by their public agency decisions; and

WHEREAS, the Act specifically requires members of city councils and planning commissions, as well as city managers, city treasurers, and city attorneys to disclose specified financial interests (Gov. Code, §§87200-87210.)

WHEREAS, the many other public officials and employees not covered by these provisions are subject to the disclosure requirements set forth in local conflict of interest codes adopted by state and local governments; and

WHEREAS, the Act requires state and local government agencies to adopt and promulgate such local conflict of interest codes (Gov. Code, §87300); and

WHEREAS, the City of San Fernando (the "City") has accordingly adopted and promulgated such a local conflict of interest code; and

WHEREAS, Government Code section 87306(a) requires the City to amend its Conflict of Interest Code every two years when "change is necessitated by changed circumstances, including the creation of new positions which must be designated"; and

WHEREAS, the Fair Political Practices Commission ("FPPC"), created by the Act, established section 18730 of title 2, division 6 of the California Code of Regulations, which contains the standard conflict of interest code that can be incorporated by reference and which may be amended by the FPPC to conform to amendments in the Act, after public notice and hearings; and

WHEREAS, the terms of Section 18730 of Title 2, Division 6 of the California Code of Regulations are hereby reincorporated by reference, and such provisions, along with the additional positions and categories set forth in the attached **Exhibit "A,"** shall constitute the updated Conflict of Interest Code for the City; and

WHEREAS, this Resolution amends the City's Conflict of Interest Code in accordance with Government Code Section 87306(a) and Section 18730 of Title 2, Division 6 of the California Code of Regulations and repeals previous Resolutions adopting and amending the City's Conflict of Interest Code.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SAN FERNANDO, CALIFORNIA, DOES HEREBY RESOLVE, FIND, DETERMINE AND ORDER AS FOLLOWS:

SECTION 1. The revised list of designated officials and employees, attached hereto as **Exhibit "A"** and concomitant amendment of the City's Conflict of Interest Code, are hereby approved.

SECTION 2. Persons holding designated positions set forth in Exhibit "A" of this Resolution shall timely file Form 700 Statements of Economic Interest with the City Clerk, who shall function as the filing officer for the City and make such Form 700 Statements of Economic Interest on file in the City Clerk's office.

SECTION 3. This Resolution shall take effect immediately upon its adoption by the City Council and the City Clerk shall certify to the passage and adoption of this Resolution and enter it into the book of original Resolutions.

PASSED, APPROVED, AND ADOPTED by the City Council of the City of San Fernando at its regular meeting held on this 16th day of November 2020.

AGENDA REPORT

To: Mayor Mary Mendoza and Councilmembers

From: Nick Kimball, City Manager

By: Julian J. Venegas, Director of Recreation and Community Services

Date: June 21, 2022

Subject: Consideration to Authorize a Notice Inviting Bids for the Design and Installation of

the Pioneer Park Playground

RECOMMENDATION:

It is recommended that the City Council:

a. Authorize the circulation of a Notice Inviting Bids (Attachment "A") for the Design and installation of the playground equipment and outdoor fitness equipment at Pioneer Park; and

b. Provide staff with direction as appropriate.

BACKGROUND:

- 1. Since 1992, the Los Angeles County Regional Park and Open Space District (RPOSD) has awarded grant funds for more than 1,500 projects for parks, recreational, cultural, and community facilities, as well as beaches and open space lands throughout the county. Funding for such projects was generated through the 1996 Proposition A, which expired in 2019.
- 2. On November 8, 2016, the electorate approved the Los Angeles County Safe, Clean Neighborhood Park, Open Space, Beaches, River Protection, and Water Conservation Measure (Measure A). The passage of Measure A ensured that parks, open spaces, beaches, and waterways were built and protected for future generations. Measure A does not sunset.
- 3. On February 5, 2018, the City Council adopted the Parks and Recreation Master Plan (PMP) as an instrument for developing a comprehensive vision for the park facility improvements and recreational programs offered to the residents of San Fernando. The PMP identified multiple park improvements that needed to be addressed in order to maintain the continuity of recreational programs and services for the community.

- 4. On September 15, 2020, the Parks, Wellness, and Recreation Commission (PWRC) reviewed potential renovation projects, provided feedback, and prioritized three capital projects that grant funds could help renovate. The projects included the renovation of: the Pioneer Park playground (ranked #1), the walking path lighting at Las Palmas Park (ranked #2), and the Recreation Park roof (ranked #3).
- 5. On October 19, 2020, the City Council concurred with the recommendation made by the PWRC to renovate the Pioneer Park playground and authorized staff to submit a grant application to the State of California Department of Parks and Recreation for the Per Capita Grant Program. Based on the Per Capita Grant Program and the Urbanized City allocation rate, the City of San Fernando was eligible for \$192,905 in Per Capita funds.
- 6. On August 17, 2021, the City and the State executed an agreement for the Per Capita funds. Soon after, staff began developing a scope for the renovation of the Pioneer Park playground. The initial discoveries of the projected determined that the Per Capita funds were insufficient to complete the renovations. Staff began to look for additional funding resources.
- 7. On November 15, 2021, the City Council authorized staff to submit a grant application to the Los Angeles County RPOSD for Measure A funding. A \$180,000 grant application was submitted to Measure A's Community-Based Park Investment grant funds.

ANALYSIS:

RCS staff is confident that the Pioneer Park Playground Renovation project has sufficient funding to circulate a Notice Inviting Bids for the design and installation of new playground equipment and fitness equipment. The funding sources for this project include \$192,905 for the State's Per Capita grant program and \$180,000 from the RPOSD Community-Based Investment grant fund. Combined the available funding for the project is \$372,905.

The initial project scope is based on the recreational facility needs identified in the City's PMP and the County's Parks and Recreation Needs Assessment. Both the Plan and the Assessment had extensive community input that contributed to their finding. However, there will be additional community engagement that will guide the final design of the Pioneer Park Playground Project. The Notice Inviting Bid calls for the design for installation:

- Removing the existing play equipment.
- Installing inclusive ADA-accessible playground equipment.
- Install shading.
- Replace the safety surface.
- Install outdoor fitness equipment.

There is also a call for community engagement from the vendor. The elements for community engagement include, but are not limited to, having multi-prawn outreach methods (flyers, social media, meetings, etc.), identifying the target population (Pioneer Park neighborhood), and partnering with sub-contractors that are experienced with the rich historical and cultural significance of the San Fernando community.

BUDGET IMPACT:

The total estimated cost for the Pioneer Park Playground Renovation Project is \$372,905. The Recreation and Community Service Grant (Fund 010) has \$192,905 appropriated in the Fiscal Year 2021-2022 for the Pioneer Playground Renovation Project and The Community-Based Park Investment grant funds will supplement the project's budget with \$180,000.

Total Uses:		\$	372,905

The Measure A grant does not require a match whereas the State Per Capita grant (\$192,905) requires a 20% match or \$38,581. The Measure A grant is considered local funds (i.e., Los Angeles County) and qualifies as the City's Per Capita grant match.

REQUEST FOR PROPOSALS

The Recreation and Community Services Department is requesting proposals for:

Pioneer Park Playground Renovation Project

RELEASE DATE: June 22, 2022

RESPONSE DUE: July 28, 2022

GENERAL INFORMATION

On February 5, 2018, the City Council adopted the Park and Recreation Master Plan (PMP) as an instrument for developing a comprehensive vision for park facility improvements and recreational programs offered to the residents of San Fernando. The PMP identified multiple park improvements that needed to address the continuity of recreational programming and services for the community.

The Recreation and Community Services Department manages seven park facilities providing recreational opportunities to the community. All park facilities are conveniently located within a 2-mile radius and easily accessible to residents. Typical amenities include activity rooms, picnic shelters, baseball diamonds, and multi-purpose fields that may be reserved for private use; as well as indoor/outdoor basketball courts, outdoor exercise equipment, and playgrounds. Many of these park amenities are weathered and in dire need of reparation.

The City of San Fernando is interested in contracting with an experienced professional firm to provide a Design and Installation of a new playground and outdoor exercise equipment for Pioneer Park. The design of the renovation project shall incorporate input from Pioneer Park neighborhood residents. However, the project must include ADA accessibility, inclusive play elements, and shading for the playground area. Pioneer Park is located at 828 Harding Street, San Fernando, CA 91340. The Pioneer Park Playground Renovation Project Scope of Work section details all required services called for in this RFP.

The State of California Department of Parks and Recreation is partially funding the Pioneer Park Playground Renovation Project with Prop. 68 Per Capita Grant money, which requires all contracted work to comply with the provisions of §1771.5 of the State Labor Code.

The other funding source for the project is the Los Angeles County Measure A administered by the Regional Park and Open Space District (RPOSD), which requires all insurance certificates name "Los Angeles County Regional Park and Open Space District as an additional insured on all liability insurance policies.

BACKGROUND

The City of San Fernando incorporated in 1911 is governed by a City Council/City Manager form of government with seven departments, consisting of the Administration, City Clerk, Community Development, Finance, Police, Public Works, and Recreation and Community Services Departments. The City employs approximately 125 full-time employees from a total Adopted Budget for the fiscal year 2021-2022 of \$62.7 million, which includes a General Fund budget of \$22.9 million. The City is a cost-conscious provider of outstanding public services to its citizens and local businesses. The City actively pursues grants to enhance the public services offered to its citizens and local businesses. The Recreation and Community Services Department is currently

administering the Prop. 68 Per Capita Grant and an RPOSD grant to complete the Layne Park project.

The City believes that the open competition for services and products provides the City with the best results for its public dollars. The City is interested in receiving responsive and competitive proposals from experienced and qualified firms to provide the design, materials, and installation for the Pioneer Park Playground Renovation Project. A description of the technical environment, contractor staffing, qualifications, and performance expectations for this RFP follows.

INSTRUCTIONS TO SUBMITTING FIRMS

A firm may withdraw its proposal at any time before the submission due date of proposals by delivering a written request for withdrawal signed by, or on behalf of the prospective firm.

F. Rights of the City of San Fernando

This RFP does not commit the City to enter into a Contract, nor does it obligate the City to pay for any costs incurred in the preparation and submission of proposals or anticipation of a contract.

The City reserves the right to:

- Make the selection based on its sole discretion;
- 2. Reject any and all proposals without prejudice;
- 3. Issue subsequent Requests for Proposal;
- 4. Postpone opening for its own convenience;
- 5. Remedy technical errors in the Request of Proposal process;
- 6. Approve or disapprove the use of particular sub-contractors;
- 7. Negotiate with any, all, or none of the prospective firms;
- 8. Solicit best and final offers from all or some of the prospective firms;
- 9. Accept other than the lowest offer; and/or
- 10. Waive informalities and irregularities in the proposal process.

G. Contract Type

It is anticipated that a standard form Professional Services Agreement contract will be signed subsequent to the City Council review and approval of the recommended firm.

H. Collusion

By submitting a proposal, each prospective firm represents and warrants that; its proposal is genuine and not a sham or collusive or made in the interest of or on behalf of any person not named therein; that the prospective firm has not directly, induced, or solicited any other person to submit a sham proposal or any other person to refrain from submitting a proposal; and, that the prospective firm has not in any manner sought collusion to secure any improper advantage over any other person submitting a proposal.

SCOPE OF WORK

The following section describes the specific services requested in this Request for Proposal. The City's 2018 Park Master Plan identifies park amenities that needed restoration. The Pioneer Park playground is one such amenity. The playground is weathered and obsolete; the playground surface has dilapidated and is in shambles. The project site is located in an urban neighborhood located at 828 Harding Street, San Fernando, CA 91340. The approximate size of the Pioneer Park playground is 5,437 Square Feet. In addition, the renovation project will add an outdoor exercise equipment area that will accommodate 8 to 10 fitness stations adjacent to the playground.

The city of San Fernando is requesting a qualified firm with landscape architect and engineering experience to design the playground and outdoor exercise areas and to provide materials and labor to install the equipment for the project. Vendors should base their playground equipment designs on all accessibility and safety standards as well as the guidelines and specifications listed in this RFP. Quality of equipment components, quality of play value, cost, and input from community meetings must be taken into consideration in the design of the project.

The proposed firm will participate in community engagement meetings to gather feedback relevant to the design elements of the playground and outdoor exercise equipment area. The feedback will provide vendors with material options, and color schemes and recommend equipment targeting age ranges and developmental levels. However, the essential elements of the play equipment design must incorporate ADA inclusivity and shading.

Proposals should include demolition cost and removal of the existing play equipment. It will be beneficial to bidders to show how repurposing or recycling the existing play equipment can reduce the City's costs. Recycled Materials: At least 10% of the materials for PROJECT construction will consist of recycled materials, or construction waste will be minimized by the separation and recycling of recoverable materials generated during construction.

Required Services:

1. Community Engagement Plan

- The City values and focuses on enhancing the quality of life and community satisfaction. Community engagement is a method that guides major City decisions and ensures residents voice their needs.
- The Consultant shall develop a community engagement plan for gathering feedback and incorporating that input into the final design of the Pioneer Park Playground Renovation Project.
- The optimal way to garner the community's sentiment is to sub-contract or collaborate with an experienced firm that recognizes the rich historical and cultural significance of the City.

2. Regulations

- Obtain all permits and licenses applicable for the work to be completed. The City has already filed a Negative Declaration according to CEQA.
- Ensure that there is compliance with the relevant codes and regulations both in the design and during the conduct of the work involved in the project.

3. <u>Design</u>

- Equipment Features:
 - i. Shared play areas, a flexible play, climbing, and free-play, divided by youngest and older play categories
 - ii. Provide a minimum of one structure designed for ages 2 to 5.
 - iii. Provide a minimum of one structure designed for ages 5 to 12.
- Preferred Play System Qualities and Basic Requirements:
 - i. All play system elements must demonstrate the highest level of durability in materials and finishes selected in consideration of child health and safety.
 - ii. Play structures and amenities must be age-appropriate with proper signage.
 - iii. The design of each play system must include the ability to expand the proposed play system within the existing play area.
 - iv. "Green" construction practices and materials are highly desired. Provide LEED or other green certification with the proposal.
 - v. All equipment must meet and/or exceed all federal, CPSC, ASTM & IPEMA guidelines. Documentation of compliance must be provided to the City with the Vendor's proposal.
 - vi. All equipment must comply with the Americans with Disabilities Act (ADA). The designs submitted by the Vendor must incorporate either a transfer platform or ramp each design when necessary.
 - vii. Play structure should incorporate shading as part of the equipment or a separate shading system.

Outdoor Exercise Equipment:

- i. Shall incorporate all the elements of a well-rounded fitness routine into outdoor fitness stations for users of all abilities and fitness levels.
- ii. Products are to be constructed of durable materials and feature ergonomic design and resistance technologies that take the guesswork out of exercise.
- iii. Be in the proximity of the playground.

4. <u>ASSEMBLY/INSTALLATION AND INSPECTION</u>

• The proposals should include the costs of delivered play systems as designed, inclusive of the equipment structures, components, hardware, detailed technical installation instructions, and maintenance & operations manuals from the manufacturer.

- The play system(s) assembly and installation will be provided and managed by the Vendor.
 The Vendor must supply direct supervision from the manufacturer or supply qualified and certified representatives with playground installation.
- A representative of the Vendor is required to conduct a post-installation inspection of
 equipment upon completion to ensure the proper installation of the equipment. If not
 properly installed, modifications must be submitted in writing to the City and remedied
 immediately. Co-inspection with the Vendor's representative of assembly and installation
 work will be conducted by the City following installation. A City representative will supply
 the punch list for completion generated by this co-inspection. The Vendor shall submit to
 the City the manufacturer's certification of compliance and warranty following punch list
 completion.
- Warranty: Upon completion of installation, the Supplier must provide documentation attesting the equipment has been installed meeting all specifications thereby warranted by the manufacturer. Additionally, it is the Vendor's responsibility to provide the City with the manufacturer's warranty for installed equipment.

PROPOSED TERM OF CONTRACT

The proposed term of the contract is **120 days from** the execution of the contract.

INFORMATION TO BE SUBMITTED

1. Include a Proposal Summary Section

This section shall discuss the highlights, key features, and distinguishing points of the Proposal. A separate sheet shall include all the contact people on the Proposal and how to communicate with them.

2. Include a *Profile of the Proposing Firm(s)* Section

This section shall include a brief description of the Firm, including size, location of office(s), number of years providing service, the organizational structure of the responsible division, etc.

Additionally, this section shall include a listing of any lawsuit and the result of that action resulting from (a) any public project undertaken by the Firm where litigation is still pending or has occurred within the last five years or (b) any type of project where claims or settlements were paid by the Firm or its insurers within the last five years.

3. Include a Qualifications of the Firm Section

This section shall include a brief description of the Firm's qualifications and previous experience on similar or related projects. Provide a description of pertinent project experience with other public municipalities (maximum of four) that includes a summary of the work performed, the total project cost, the period over which the work was completed, and the name, title, and phone number of clients to be contacted for references. Give a brief statement of the Firm's adherence to the schedule and budget for each project.

4. Include a Work Plan Section

In this section, present a well-conceived service plan. This section of the proposal shall establish the Firm's understanding of the City's objectives and work requirements and the Firm's ability to satisfy those objectives and requirements. Describe the proposed approach for addressing the scope of service, outlining the approach that would be undertaken in providing the requested services. Include a timetable for providing the service. Describe related service experience by the Firm in similar work. Please describe

the role, and extent of services (number of people used, engagement duration, and contract value).

5. Include a Project Staffing Section

In this section, discuss how the Firm would propose to staff this project. The firm's key project team members shall be identified by name, specific responsibilities on the project, and their qualifications. An organizational chart for the project team and resumes for key Firm personnel shall be included. Key Firm personnel will be an important factor considered by the Recreation and Community Services Director. There can be no change of key personnel once the proposal is submitted, without prior approval of the City.

6. Include a Proposal Costs Sheet and Rates Section

In this section, include the proposed costs to provide the services desired. Include any other cost and price information that would be contained in a potential agreement with the City. The cost shall be itemized per improvement project.

In addition, include the costs for any other services that are considered optional additions.

7. Include a Community Engagement Plan Section

In this section, include the tactics that will be used for the engagement campaign, the asset map for the outreach effort, the materials to be employed, and a timeline. Forming partnerships or sub-contracting with COB's to lead the outreach is ideal. The sub-contractor or partner should be experienced working in the community and be knowledgeable of the rich historical and cultural significance of the San Fernando community.

- 8. Bid Rejection all proposals will be reviewed to determine conformance with the RFP requirements. Any proposal that the City deems incomplete, conditional, or non-responsive to the RFP requirements may be rejected. The City reserves the right to reject any and all proposals.
- 9. Screening and selection will take place through the process described below. An award of contract may be made to the firm that meets the proposal requirements specified in this RFP and whom submits the proposal that is considered most advantageous to the City.

Negotiations may or may not be conducted with prospective Vendors, therefore, each proposal should include the firm's most favorable terms and conditions since selection may be made without discussion with any firm.

10. The screening and selection process shall be as follows:

- a) Sealed proposals will be opened and evaluated to determine compliance with the required qualifications of the vendor. Proposals meeting the specified requirements will be considered responsive and will be included in the next phase of review.
- b) Responsive proposals will be evaluated by City staff members. Following this review, a decision will be made on whether to recommend awarding a contract for the Pioneer Park Playground Renovation Project or schedule firm interviews to determine which vendor best meets the needs of the City.

11. Minimum Insurance Requirements.

The Firm shall, at its own expense, procure and maintain for the duration of the agreement, insurance against claims for injuries to persons or damages to property that may arise from or in connection with the performance of the agreement by the firm, its agents, representatives, employees, or subcontractors.

12. Conflict of Interest.

It shall be the duty of the Contractor to comply with all applicable State and Federal laws relating to prohibited conflicts of interest. As part of its response to this RFP, the Contractor shall disclose in writing, any financial, business, employment, or other relationships with the City or with any of its officers, employees, or agents that are or were in existence during the twelve (12) calendar months immediately preceding, and including, the date the Contractor's response to this RFP is filed. In addition, the Contractor shall disclose in writing any financial, business, employment, or other relationships with any contractor who may have a financial benefit in securing design and/or construction contracts for a City project. The Contractor shall have a continuing obligation to keep the foregoing disclosures current and up-to-day during the term of this contract, and the Contractor's failure to timely disclose the existence of such a relationship shall be grounds for immediate termination of the contract.

13. Permits/Licenses.

The Contractor shall obtain and pay for a business license as necessitated for doing work within the City of San Fernando. Valid licensure shall be in place for the life of the contract as stipulated in the executed Professional Services Agreement.

14. Insurance requirements.

AGENDA REPORT

To: Mayor Mary Mendoza and Councilmembers

From: Nick Kimball, City Manager

By: Matt Baumgardner, Director of Public Works

Date: June 21, 2022

Subject: Consideration to Adopt a Resolution Accepting Senate Bill 1: The Road Repair

and Accountability Act of 2017 Funds and Approving the Project List for Fiscal

Year 2022-2023

RECOMMENDATION:

It is recommended that the City Council:

- a. Accept \$564,259 in Senate Bill 1 (SB 1) Funds and approve the proposed project list to be funded by the SB 1 Local Streets and Roads Program (Attachment "A");
- b. Adopt Resolution No. 8159 (Attachment "B") approving the list of projects for Fiscal Year (FY) 2022-2023 funded by SB 1, The Road Repair and Accountability Act of 2017; and
- c. Authorize staff to submit all required documents to the California Transportation Commission.

BACKGROUND:

- 1. In April 2017, the State Legislature passed the Road Repair and Accountability Act of 2017 Senate Bill 1 (SB 1), which was subsequently signed into law by Governor Brown.
- 2. The purpose of SB 1 is to provide additional funding to State and local agencies to help address deferred road maintenance. SB 1 raises revenue through increases in fuel taxes, vehicle registration fees, and fees on zero emission vehicles, as follows:
 - a. A \$0.12 per gallon increase to the gasoline excise tax that went into effect November 1, 2017.
 - b. A \$0.20 per gallon increase to the diesel fuel excise tax that went into effect November 1, 2017.

- c. A vehicle registration tax, called the "transportation improvement fee," that went into effect January 1, 2018, and is based on the market value of the vehicle.
- d. A new \$100 vehicle registration tax on zero emission vehicles model year 2020 and later, effective July 1, 2020.
- e. Annual rate increases beginning July 1, 2020, and every July 1st thereafter, for the change in the California Consumer Price Index.
- 3. Pursuant to Streets and Highways Code Section 2030, Road Maintenance and Rehabilitation Account funds (RMRA), local streets and roads allocations must be used for projects that include, but are not limited to, the following:
 - a. Road maintenance and rehabilitation;
 - b. Safety projects;
 - c. Railroad grade separations;
 - d. Traffic control devices;
 - e. Complete street components, including active transportation purposes, pedestrian and bicycle safety projects, transit facilities, and drainage and storm-water capture projects in conjunction with any other allowable project; and
 - f. Matching funds to obtain state or federal funds for eligible projects.
- 4. SB 1 also contains a local agency maintenance of effort (MOE) requirement that applies to fund allocations through RMRA to ensure that the new roads funds do not supplant existing levels of city and county general revenue spending on streets and roads. A city or county must maintain general fund spending for street, road, and highway purposes at no less than the average of Fiscal Years 2009-2010, 2010-2011, and 2011-2012. If a city or county fails to comply in a particular year, they may make it up with additional spending in the following year. The MOE is significant because it ensures that municipalities remain focused on pursuing street related projects using general funds.

ANALYSIS:

SB 1 was a critical piece of legislation that provides significant funding for the repair and maintenance of local streets that the City has appropriated toward the Annual Street Resurfacing project. As part of that legislation, the State developed a number of accountability

Consideration to Adopt a Resolution Accepting Senate Bill 1: The Road Repair and Accountability Act of 2017 Funds and Approving the Project List for Fiscal Year 2022-2023

Page 3 of 4

and transparency provisions for the purpose of keeping local residents aware and updated on projects being proposed for funding by SB 1 in their area. Public agencies are required to comply with the following the provisions in order to be eligible to receive funding through the program:

- 1. Each year, cities and counties must adopt, via resolution, a list of projects to be funded using SB 1 funds. Adopting a project list through the budget process is not sufficient to meet this requirement.
- 2. Cities and counties must transmit the resolution and adopted project list to the California Transportation Commission via the online SB 1 Programs Project Intake Tool, known as the CalSMART System. Along with adopted project list, specific information such as project description, location, proposed schedule for completion, and estimated useful life for each project must be uploaded to the database. Uploading required documents and project information must be completed in a timely manner in order to be eligible for RMRA funding.

The deadline to submit FY 2022-2023 project list and required information is July 1, 2022.

Recommended Fiscal Year 2022-2023 Project.

After analyzing potential street projects that are eligible for RMRA funds, staff recommends using funds towards the FY 2022-2023 Annual Street Resurfacing project (Attachment "C"). The streets to be included in the FY 2022-2023 project were selected using three criteria:

- Condition of street based on rating in most current pavement management report;
- Total amount of funds available for resurfacing; and
- How often pothole repairs were requested by residents of the City.

The goal of the FY 2022-2023 project is to resurface as many streets as possible with a focus on two approaches:

- 1) Preserving streets that are still in good condition and preventing them from deteriorating too quickly; and
- 2) Addressing many other streets that are prone to consistent pothole damage and excessive asphalt cracking.

The streets to be paved as part of the Annual Street Resurfacing project add up to a total of approximately 30 miles, which will be funded through a combination of SB 1 funds, Measure R, Measure M, Proposition C, State Gas Tax, and Capital Outlay funds. Approximately 18 miles of streets will fall under the street preservation approach outlined in the first option above. Of these 18 miles, approximately eight miles will be funded using SB 1 funds. A list of these streets are found in Attachment "A".

Page 4 of 4

This project is expected to begin in August 2022 and completed by June 30, 2023.

BUDGET IMPACT:

Estimated SB 1 revenues and expenditures of \$564,259 are included in the FY 2022-2023 Capital Improvement Budget (Fund 025: Road Repair and Maintenance Fund). The recommended streets are part of the Capital Improvement Plan (CIP) presented to the City Council through the budget process.

CONCLUSION:

Staff recommends that the City Council accept the estimated \$564,259 in Senate Bill 1 (SB 1) funds, and adopt Resolution No. 8159 approving the list of projects for FY 2022-2023 funded by SB 1, The Road Repair and Accountability Act of 2017.

RESOLUTION NO. 8159

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN FERNANDO, CALIFORNIA, ADOPTING A LIST OF PROJECTS FOR FISCAL YEAR 2022-2023 FUNDED BY SB 1: THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the Governor in April 2017 in order to address the significant multi-modal transportation funding shortfalls statewide; and

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of our City are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

WHEREAS, the City must adopt a list of all projects proposed to receive funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1 by resolution, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

WHEREAS, the City will receive and estimated \$564,259 in RMRA funding in Fiscal Year 2022-23 from SB 1; and

WHEREAS, this is the sixth year in which the City is receiving SB 1 funding and will enable the City to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

WHEREAS, the City has undergone a robust public process to ensure the public input into our community's transportation priorities/the project list; and

WHEREAS, the City used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the communities priorities for transportation investment; and

WHEREAS, the funding from SB 1 will help the City maintain and rehabilitate approximately eight (8) miles of streets throughout the City this year and hundreds of similar projects into the future; and

WHEREAS, the 2018 California Statewide Local Streets and Roads Needs Assessment found that the City's streets and roads are in an "at-risk" condition and this revenue will help us increase the overall quality of our road system and over the next decade will bring our streets and roads into a "good" condition; and

WHEREAS, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive co-benefits statewide.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SAN FERNANDO DOES HEREBY RESOLVE, FIND, DETERMINE AND ORDER AS FOLLOWS:

SECTION 1. The foregoing recitals are true and correct.

SECTION 2. The following list of proposed projects will be funded in-part or solely with Fiscal Year 2022-23 Road Maintenance and Rehabilitation Account revenues:

AGENDA REPORT

To: Mayor Mary Mendoza and Councilmembers

From: Nick Kimball, City Manager

By: Matthew Baumgardner, Director of Public Works

Patsy Orozco, Civil Engineering Assistant II

Date: June 21, 2022

Subject: A Public Hearing to Consider Adoption of Resolutions to Continue Maintenance of

the City's Streetlights, Confirming the Annual Assessment and Approving the Final Engineer's Report for Fiscal Year 2022-2023 Landscaping and Lighting Assessment

District

RECOMMENDATION:

It is recommended that the City Council:

- a. Conduct a Public Hearing by following the attached Order of Procedure (Attachment "A");
- b. Adopt Resolution No. 8160 (Attachment "B") ordering the continued maintenance of the City's streetlights and confirming the annual assessment; and
- c. Adopt Resolution No. 8161 (Attachment "C") approving the Final Engineer's Report for the Fiscal Year (FY) 2022-2023 Landscaping and Lighting Assessment District (LLAD).

BACKGROUND:

- 1. On February 22, 2022, the City Council adopted Resolution No. 8121 to initiate the annual District levy proceedings and order the preparation of the Engineer's Report for the FY 2022-2023. Assessments under the LLAD are to be used for street lighting purposes only.
- 2. On May 16, 2022, the City Council adopted Resolution No. 8148 approving the Engineer's Report for the FY 2022-2023 LLAD.
- 3. On May 16, 2022, the City Council adopted Resolution No. 8149 declaring the City Council's intention to order the annual assessments for FY 2022-2023 LLAD and setting a Public Hearing date for June 21, 2022.

A Public Hearing to Consider Adoption of Resolutions to Continue Maintenance of the City's Streetlights, Confirming the Annual Assessment and Approving the Final Engineer's Report for Fiscal Year 2022-2023 Landscaping and Lighting Assessment District

Page 2 of 3

ANALYSIS:

The LLAD has been in effect in the City since FY 1981-1982, under the 1972 Landscaping and Lighting Assessment District Act. The purpose of the LLAD is to equitably assess properties in accordance with special benefits received from the improvements to cover the cost of maintenance and operation of the lighting system within the City's streets. Assessments are calculated for each property based on the length of frontage for District-wide benefits (safety lighting at street intersections) and Local Lighting benefits (street lights and alley lights).

Staff has prepared the formal "Order of Procedure" for the Public Hearing. At the conclusion of the Public Hearing, the City Council may adopt the attached Resolutions ordering the continued maintenance of certain streetlights and confirming the annual assessments.

If adopted, the Resolution confirming the assessments authorizes staff to proceed with further review for accuracy including a final review of the parcel exception list, which is a compilation of all the parcel numbering and name changes occurring between last year and this year. The Resolution also authorizes staff to instruct the engineering consultant to send the final electronic file and hardcopy database with all the appropriate information to the County Assessor's Office. This must be done by August 31, 2022, so that the assessment can be included in the upcoming property tax bills. If the Resolution is not adopted, the City will incur the entire costs to continue to operate and maintain streetlights in the City. These costs will be included in the FY 2022-2023 proposed budget and are offset by the revenues to be generated from the LLAD assessments.

The legally required 10-day notification for the Public Hearing has been published in *The San Fernando Valley Sun* and proof of publication is on file in the office of the City Engineer. Once the City Council adopts the Resolution confirming the assessments, staff may proceed with finalizing the FY 2022-2023 LLAD.

BUDGET IMPACT:

Per the Engineer's Report, the total LLAD operations and maintenance costs for FY 2022-2023 are estimated at \$331,181. The net amount to be assessed upon assessable lands within the District for Fiscal Year 2022-2023 is \$331,181. The Fiscal Year 2022-2023 assessment rates for the District-wide Benefit are \$0.2262 per Front Foot and \$0.4477 per Adjusted Front Foot for the Local Lighting Benefit. These rates represent the maximum assessment rates as approved by property owners in 2003.

A Public Hearing to Consider Adoption of Resolutions to Continue Maintenance of the City's Streetlights, Confirming the Annual Assessment and Approving the Final Engineer's Report for Fiscal Year 2022-2023 Landscaping and Lighting Assessment District

Page 3 of 3

CONCLUSION:

The Engineer's Report prepared by Willdan Financial Services for FY 2022-2023 is acceptable to City staff, and it is therefore recommended that the City Council adopt the Resolution ordering the continued maintenance of the City's streetlights and confirming the annual assessment.

The Engineer's Report and Summary Listings (parcel number, address, and assessment amounts) are on file with the City Engineer for public review.

RESOLUTION NO. 8160

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN FERNANDO, CALIFORNIA, ORDERING THE CONTINUED MAINTENANCE OF CERTAIN STREETLIGHTS IN THE CITY OF SAN FERNANDO LANDSCAPING AND LIGHTING ASSESSMENT DISTRICT AND CONFIRMING AN ANNUAL ASSESSMENT FOR FISCAL YEAR 2022-2023

WHEREAS, this City Council has previously ordered the formation of a district pursuant to the terms and provisions of the "Landscaping and Lighting Act of 1972," being Part 2 of Division 15 of the Streets and Highways Code of the State of California known and designated as the CITY OF SAN FERNANDO LANDSCAPING AND LIGHTING ASSESSMENT DISTRICT (hereinafter referred to as the "District"); and

WHEREAS, this City Council has initiated proceedings to levy an annual assessment within the District for the 2022-2023 Fiscal Year and ordered the preparation of an Engineer's Report in connection therewith, and the City Engineer has prepared and filed with the City Clerk an Engineer's Report adopted as Resolution No. 8148 pursuant to law for its consideration. Subsequently thereto this City Council did approve said report and adopt its Resolution of Intention to Levy and Collect Assessments within the City of San Fernando Landscaping and Lighting Assessment District and to carry on all other proceedings necessary for the levy of annual assessment for the District, and further, did proceed to give notice of the time and place for a Public Hearing on the question of the levy of the proposed assessment; and

WHEREAS, at this time this City Council has heard all testimony and evidence and is desirous of proceeding with the levy of annual assessments for said District.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SAN FERNANDO DOES HEREBY RESOLVE, FIND, DETERMINE, AND ORDER AS FOLLOWS:

SECTION 1: That the above recitals are all true and correct.

SECTION 2: That based upon its review of the Engineer's Report and other reports and information, the City Council hereby finds and determines that the land within the District will be benefited by the improvement described in the Report and that the net amount to be assessed upon the land within the District for Fiscal Year 2022-2023, in accordance with the Report, is apportioned by formula and method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements.

SECTION 3: That this City Council hereby orders the maintenance work be performed as set forth in the Engineer's Report and hereby orders the levy of an annual assessment for Fiscal Year 2022-2023 as shown, set forth, and described in the Report.

SECTION 4: That the diagram and assessment as set forth and contained in said Report are hereby confirmed and adopted by this City Council.

SECTION 5: That the adoption of this Resolution constitutes the levy of the assessment for the Fiscal Year commencing July 1, 2022 and ending June 30, 2023.

SECTION 6: That the Cost Estimates, the Diagram of the District, the assessments, and all other matters as set forth in the Engineer's Report pursuant to said "Landscaping and Lighting Act of 1972," as submitted, are hereby approved and adopted by the City Council and hereby confirmed.

SECTION 7: That the works of improvement and maintenance contemplated by the Resolution of Intention shall be performed pursuant to law, and the County Auditor shall enter on the County Assessment Roll the amount of the assessment, and said assessment shall then be collected.

After collection by said County, the net amount of the assessment shall be paid to the City Treasurer of the City.

SECTION 8: That the City Treasurer has established a special fund known as the "CITY OF SAN FERNANDO LANDSCAPING AND LIGHTING ASSESSMENT DISTRICT FUND" into which the City Treasurer shall place all monies collected by the Tax Collector pursuant to the provisions of this Resolution and law, and said transfer shall be made and accomplished as soon as said monies have been made available to said City Treasurer.

SECTION 9: That the City Clerk is hereby ordered and directed to file a certified copy of the diagram and assessment roll with the County Auditor, together with a certified copy of this Resolution upon its adoption.

SECTION 10: That a certified copy of the assessment and diagram shall be filed in the Office of the City Engineer, with a duplicate copy on file in the Office of the City Clerk and open for public inspection.

RESOLUTION NO. 8161

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN FERNANDO, CALIFORNIA, APPROVING THE FINAL ENGINEER'S REPORT FOR FISCAL YEAR 2022-2023

WHEREAS, The City Council, pursuant to the provisions of *Part 2 of Division 15 of the California Streets and Highways Code*, did by previous Resolution order the Engineer, Willdan, to prepare and file a report in accordance with *Article 4 of Chapter 1 of Part 2 of Division 15 of the California Streets and Highways Code, commencing with Section 22565*, in connection with the levy and collection of assessments for the San Fernando Landscaping and Lighting Assessment District (hereafter referred to as the District) for the Fiscal Year commencing July 1, 2022 and ending June 30, 2023; and,

WHEREAS, The Engineer has prepared and filed with the City Clerk of the City of San Fernando and the City Clerk has presented to the City Council such report entitled "Engineer's Annual Levy Report, San Fernando Landscaping and Lighting Assessment District, Fiscal Year 2022-2023" (hereafter referred to as the Report); and,

WHEREAS, The City Council has carefully examined and reviewed the Report (Exhibit "A") as presented, and is satisfied with each and all of the items and documents as set forth therein, and finds that the levy has been spread in accordance with the special benefits received from the improvements, operation, maintenance and services to be performed, as set forth in said Report.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SAN FERNANDO DOES HEREBY RESOLVE, FIND, DETERMINE, AND ORDER AS FOLLOWS:

SECTION 1: The above recitals are all true and correct.

SECTION 2: The Report as presented, consists of the following:

- a) A Description of the District and Improvements.
- b) The Annual Budget (Costs and Expenses of Services, Operations and Maintenance)
- c) A Description of the Method of Apportionment resulting in an Assessment Rate per Levy Unit within said District for Fiscal Year 2022-2023.

SECTION 3: The Report as presented, is hereby approved (as amended), and is ordered to be filed in the Office of the City Clerk as a permanent record and to remain open to public inspection.

SECTION 4: The City Clerk shall certify to the passage and adoption of this Resolution and the minutes of this meeting shall so reflect the presentation and final approval of the Report.

PASSED, APPROVED, AND ADOPTED THIS 21st day of June, 2022.

SECTION 1. AUTHORITY FOR REPORT

This Engineer's Report (the "Report") for the San Fernando Landscaping and Lighting Assessment District (the "District") is prepared pursuant to a resolution of the City Council of the City of San Fernando (the "City") and in compliance with the requirements of Article 4, Chapter 1, (commencing with Section 22565) of the Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the Streets and Highways Code of the State of California.

Section 22573 of the Landscaping and Lighting Act of 1972 requires assessments to be levied according to benefit rather than according to assessed value. The section states:

"The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements.

The determination of whether or not a lot or parcel will benefit from the improvements shall be made pursuant to the Improvement Act of 1911 (Division 7 (commencing with Section 5000) of the Streets and Highways Code, State of California)."

Exemption from Article XIIID of the California Constitution

As a result of the passage of Proposition 218 by voters on November 5, 1996, Article XIIIC and Article XIIID (the "Article XIIID") were added to the California Constitution. Article XIIID specifically addressed both the substantive and procedural requirements to be followed for assessments. The new procedural and approval process for assessments outlined in this article apply to all assessment districts, with the exception of those existing assessments that met one or more of the following criteria: 1) a district that received prior voter approval, 2) a district originated with a petition signed by 100 percent of the property owners in the district, or 3) a district complying with the requirements set forth in Section 5(a) of Article XIIID that states:

...assessments existing on the effective date of this Article shall be exempt from the procedures and approval process set forth in Section 4 [if they were] imposed exclusively to finance the capital costs or maintenance and operation expenses for sidewalks, streets, sewers, water, flood control, drainage systems or vector control.

Street Improvement as defined herein is based on the definitions provided by the Office of the Controller for the State of California in the *Guidelines Relating to Gas Tax Expenditures* published by the Division of Local Government Fiscal Affairs. The state's gas tax program is administered by local agencies but audited by the Office of the State Controller. The proceeds of the gas tax are statutorily limited to expenditures for streets and roads. Because the funds are restricted to street and road costs, the State Controller developed the "Street Purpose Definitions and Guidelines" based on the *Manual of Uniform Highway Accounting and Financial Management Procedures* developed by the American Association of State Highway Officials. Street improvement, as it relates to this District, is defined as the construction, operation, or maintenance of facilities within the right of way used for street or road purposes including but not limited to the following:

- Installation or expansion of the street lighting system including replacement of old equipment with superior equipment, installation of traffic signals at intersections and railroad crossings, replacement of equipment as required for relocations for street purposes, and purchase and installation of traffic signal control equipment.
- Servicing lighting systems and street or road traffic control devices including, repainting
 and repairing traffic signals and lighting standards; and furnishing of power for street and
 road lighting and traffic control devices.

Incidental expenses associated with the improvements including, but not limited to:

- The cost of preparation of the report, including plans, specifications, estimates, diagram, and assessment;
- The costs of printing, advertising, and the publishing, posting and mailing of notices;
- Compensation payable to the Los Angeles County (the "County") for collection of assessments;
- Compensation of any engineer or attorney employed to render services;
- Any other expenses incidental to the construction, installation, or maintenance and servicing of the improvements;
- Any expenses incidental to the issuance of bonds or notes pursuant to Section 22662.5.
- Costs associated with any elections held for the approval of a new or increased assessment.

Therefore, the City determined that the District assessments (assessment rates) approved and levied prior to the passage of Proposition 218 for Street Improvements (Fiscal Year 1996/1997) as defined above were exempt from the Article XIIID procedural and approval process, however any proposed increase to the assessments would be subject to both the substantive and procedural requirements outlined in Article XIIID.

In Fiscal Year 2002/2003 the City conducted property owner protest ballot proceedings for an assessment increase. At the conclusion of the Public Hearing for the District and proposed assessment increase, returned ballots were tabulated and it was determined that majority protest existed and the proposed assessment increase was not imposed. Therefore the previously approved maximum assessment rate was applied and the District was levied in accordance with the Method of Apportionment.

Based on the District's estimated expenses and revenues for Fiscal Year 2003/2004, the City once again submitted a proposed assessment increase to the property owners within the District and initiated and conducted property owner protest ballot proceedings in compliance with the substantive and procedural requirements of Article XIIID. At the conclusion of the Public Hearing scheduled July 7, 2003, all property owner protest ballots returned were tabulated to determine if majority protest existed. As a majority protest did not exist, the proposed special benefit assessment increase was approved and adopted by the City Council for Fiscal Year 2003/2004. The proposed assessment presented to the property owners' established new maximum assessment rates for the various land use classifications within the District.

The actual assessment rates adopted in any Fiscal Year may be less than or equal to these maximum assessment rates without additional balloting. Any proposed assessment that exceeds the maximum assessment rates will require additional property owner ballot proceedings for the incremental assessment increase. The method of apportioning special benefits and the maximum assessment rates are discussed in more detail in the Method of Assessment section of this Report.

SECTION 2. DISTRICT BOUNDARIES

The boundary of the District is coterminous with the City limits of the City of San Fernando and is shown on the Assessment Diagram (in Section 7 of this Report) and incorporated herein by reference. The boundaries of the Zones within the District are the boundaries shown on the official zoning map of the City of San Fernando, on file in the office of the City Clerk and incorporated herein by reference. All parcels of real property included within the District are described in more detail on maps on file in the Los Angeles County Assessor's office.

SECTION 3. PLANS AND SPECIFICATIONS

The improvements for Fiscal Year 2022/2023 may be generally described as the continued maintenance and operation of streets and sidewalks within the District, including the maintenance and servicing of public lighting facilities and appurtenant facilities that are located in and along such streets and sidewalks. The improvements do not include the maintenance or servicing of public lighting facilities that are not located in and along streets and sidewalks within the District.

The District improvement plans and specifications showing and describing the existing improvements have been prepared and filed with the City Clerk. The plans and specifications are identified as "Plans and Specifications No. L-2000" and are available for public inspection. These Street Lighting Plans consist of the Southern California Edison Company maps showing the general nature, location, and extent of existing and proposed street lights in the District which are owned and maintained by the Edison Company, as well as City as-built construction plans showing the general nature, location, and extent of existing street lights which are owned and maintained by the City. The plans and specifications and documents so described are by reference made part of this Report and incorporated herein.

In addition to the improvements referenced above, additional streetlight facilities and improvements were added in Fiscal Year 2004/2005 utilizing District funds designated for Capital Improvement Projects. The additional improvements included the expenses associated with the underground improvements for various streetlight facilities within the District. The specific location and extent of these new improvements are on file in the Office of the City Engineer and by reference are made part of this Report.

SECTION 4. METHOD OF ASSESSMENT

A. PROPOSITION 218 BENEFIT ANALYSIS

In conjunction with the provisions of the 1972 Act, the California Constitution Article XIIID addresses several key criteria for the levy of assessments, notably:

Article XIIID Section 2(d) defines District as follows:

"District means an area determined by an agency to contain all parcels which will receive a special benefit from a proposed public improvement or property-related service";

Article XIIID Section 2(i) defines Special Benefit as follows:

"Special Benefit" means a particular and distinct benefit over and above general benefits conferred on real property located in the district or to the public at large. General enhancement of property value does not constitute "Special Benefit."

Article XIIID Section 4(a) defines proportional special benefit assessments as follows:

"An agency which proposes to levy an assessment shall identify all parcels which will have a special benefit conferred upon them and upon which an assessment will be imposed. The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement, the maintenance and operation expenses of a public improvement, or the cost of the property related service being provided. No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel."

This District was formed to establish and provide for the improvements that enhance the presentation of the surrounding properties and developments. These improvements will directly benefit the parcels to be assessed within the District. The assessments and method of apportionment is based on the premise that the assessments will be used to construct and install landscape and lighting improvements within the existing District as well as provide for the annual maintenance of those improvements, and the assessment revenues generated by District will be used solely for such purposes.

The costs of the proposed improvements have been identified and allocated to properties within the District based on special benefit. The improvements to be provided by this District and for which properties will be assessed have been identified as an essential component and local amenity that provides a direct reflection and extension of the properties within the District which the property owners and residents have expressed a high level of support.

The method of apportionment (method of assessment) set forth in the Report is based on the premise that each assessed property receives special benefits from the landscape and lighting improvements within the District, and the assessment obligation for each parcel reflects that parcel's proportional special benefits as compared to other properties that receive special benefits.

To identify and determine the proportional special benefit to each parcel within the District, it is necessary to consider the entire scope of the improvements provided as well as the properties

that benefit from those improvements. The improvements and the associated costs described in this Report, have been carefully reviewed and have been identified and allocated based on a benefit rationale and calculations that proportionally allocate the net cost of only those improvements determined to be of special benefit to properties within the District. The various public improvements and the associated costs have been identified as either "general benefit" (not assessed) or "special benefit".

B. STREET LIGHTING BENEFITS

The special benefits derived from the maintenance and servicing of street lighting are the convenience, safety, and security of property, improvements, and goods. Specifically:

- 1. Improves ingress and egress to property.
- 2. Enhances nighttime commercial, business, and residential living environment through improved visibility and related safety.
- 3. Increased nighttime safety on roads and highways and improved ability of pedestrians and motorists to see.
- 4. Enhanced deterrence of crime and the aid to police protection.
- 5. Deters nighttime vandalism and other criminal acts and damage to improvements or property.
- 6. Improved traffic circulation and reduced nighttime accidents and personal property loss.
- 7. Enhances desirability of properties through association with District improvements.

C. METHODOLOGY

The method of assessment separates costs into two categories:

- District-wide Lighting Street Intersection Safety Lights
- 2. Local Lighting Street Lights and Alley Lights

District-wide Lighting (Street Intersection Safety Lights)

District-wide Lighting represents the special benefit received from each and every parcel within the District from street intersection safety lights. The cost of such improvements is apportioned at a uniform rate per assessable front foot established for each assessable lot or parcel within the District. Corner single-family residential lots are assessed for street address footage only; side yard frontage is not assessed.

Local Lighting (Street Lights and Alley Lights)

Local Lighting represents the special benefit received from the servicing and maintenance of street and alley lights in close proximity to the assessed parcels. The total cost for Local Lighting is determined by estimating the total amount to be assessed for all street lighting costs and deducting the cost specifically identified as street intersection safety lights.

Local Lighting is further separated into the following Zones for both street and alley lights categories:

- Residential
- Industrial
- Commercial

Each Zone is defined by the zoning map established by the City Planning Commission the year the Engineer's Report is prepared and approved by the City Council, as shown on the official City records. Separation into Zones recognizes differences in estimated special benefit from lighting received by properties within residential, industrial, and commercial areas.

Because non-residential properties are often vacant and unattended during late night hours they are generally more susceptible to vandalism and crime than residential properties. In addition, convenient ingress and egress is more critical to non-residential properties, especially commercial properties, since a larger number of vehicles generally use such properties, and since the convenience of ingress and egress is a significant factor in attracting clients, customers, and employees. For these reasons, non-residential properties derive a greater benefit from street lighting than residential properties.

In addition to the benefit rational described above, the benefit various properties receive from street lighting are directly related to the level of illumination. Nationally, industry standards recommend increasing the intensity of street light illumination from the minimum level specified for local residential streets, to higher levels specified for commercial and arterial streets (Reference: American National Standard Practice for Roadway Lighting, RP-8, page 11, Table J, Recommendation for Average Maintained Horizontal Illumination). Therefore, properties zoned for non-residential use are assessed at a higher rate than properties zoned for residential use because the intensity of street lighting associated with non-residential properties is greater.

Local Lighting cost for street lighting was apportioned per front foot against all "benefited" lots or parcels within each particular Zone. "Benefited" lots or parcels were determined to be those where there is existing lighting on the street fronting the lot or parcel. No assessment for Local Lighting has been apportioned to properties where there are no lights or where existing lights are too distant to provide special benefit to those properties.

Based on recommended illumination levels and recognizing variations in existing lighting, the Local Lighting costs have been apportioned according to the following ratios:

Benefit ratios for street lighting:

Parcels within the District receive benefit from local street lighting, namely the street lighting located on the streets or streets in close proximity to the parcels' street address frontage. The benefit ratios established for these street lights are based on the following ratios:

Residential Zone = 1.0

Industrial Zone = 2.5

• Commercial Zone = 3.0

Benefit ratios for alley lighting:

In addition to the benefit received from street lighting located in close proximity to the parcels' street address frontage, certain parcels within the District receive a benefit from alley lighting located in close proximity to their side or rear footage. This alley lighting benefit for residential parcels has been estimated at one-half of the street lighting benefit. Non-residential parcels are assigned twice as much benefit from alley lighting as residential parcels because such parcels generally utilize the alleys for deliveries and other purposes. The benefit ratios established for alley lights are based on the following ratios:

Residential Zone = 0.5
 Industrial Zone = 1.0
 Commercial Zone = 1.0

Single Family Residential Corner Lots

As a result of an assessment analysis, the City Council took action at their regular meeting on February 21, 1995 to modify the apportionment formula to eliminate charging corner lots with single-family residences for their side yard footage. Single-family residential corner lots are assessed for footage along street address frontage only at the rate set by its respective Zone and side yard footage is not included in the calculation for either District-wide Lighting or Local Lighting.

Frontage Rates

Based on the preceding discussion, the following are the resulting frontage rate formulas:

Where: TAF Total Assessable Footage TLF Total Local Footage (Adjusted Front Footage) Street Light Local Benefit SLB ALB Alley Light Local Benefit RF Residential Frontage Industrial Frontage MF = Commercial Frontage CF Residential Alley Frontage RAF Industrial Allev Frontage MAF CAF Commercial Alley Frontage = District-wide Lighting Rate DLR = LLR Local Lighting Rate

The following outlines the proportional special benefit formulas used to calculate the assessment rate applied to District-wide Lighting benefits (street intersection lighting):

Total Assessable Footage (TAF) = (RF+MF+CF+RAF+MAF+CAF) (Assessable Footage) (All assessed parcels)

District-wide Lighting (DLR) = <u>Budgeted Intersection Safety Light Cost</u> (Assessment Rate) Total Assessable Footage (TAF)

The following outlines the proportional special benefit applied to various land use classifications to determine the adjusted front footage used for calculating Local Lighting assessments. Each parcel's total adjusted front footage is the sum of the parcel's calculated SLB and ALB applicable to that parcel's land use.

Residential SLB = 1.0 x RF (Residential Frontage)
Residential ALB = 0.5 x RAF (Residential Frontage)

Industrial SLB = 2.5 x MF (Industrial Frontage)
Industrial ALB = 1.0 x MAF (Industrial Alley Frontage)

Commercial SLB = 3.0 x CF (Commercial Frontage)
Commercial ALB = 1.0 x CAF (Commercial Alley Frontage)

The following outlines the proportional special benefit formulas used to calculate the assessment rate applied to Local Lighting benefits:

The annual assessment calculated for each parcel is the sum of their District-wide Lighting assessment and Local Lighting assessment.

Total Assessment = District-wide Assessment + Local Lighting Assessment

```
Residential Assessment = (RF \times DLR) + [(1(RF) + .5(RAF)) \times LLR]
Industrial Assessment = (MF \times DLR) + [(1(MF) + .5(MAF)) \times LLR]
Commercial Assessment = (CF \times DLR) + [(1(CF) + .5(CAF)) \times LLR]
```

D. MAXIMUM ASSESSMENT RATES

Based on the preceding discussion of apportioning special benefits to all properties within the District and the City Engineer's cost estimate for Fiscal Year 2022/2023, the maximum assessment rate approved by property owners for District-wide Lighting (Street Intersection Safety Lighting) is \$0.2262 per assessable foot and the maximum assessment rate approved by property owners for Local Lighting (Street Lights and Alley Lights) is \$0.4477 per adjusted foot.

SECTION 6. ASSESSMENT ROLL

The net amount to be assessed upon assessable lands within the District for Fiscal Year 2022/2023 is \$331,181.37. The Fiscal Year 2022/2023 assessment rates for the District-wide Benefit are \$0.2262 per Front Foot and \$0.4477 per Adjusted Front Foot for the Local Lighting Benefit. These rates equal the maximum assessment rates for the District-wide Benefit that were approved and applied in Fiscal Year 2021/2022.

The amount to be assessed against each individual parcel within the District is set forth in the Assessment Roll, which is on file in the office of the City Clerk and incorporated herein by reference. Reference is made to the Los Angeles County Secured Roll for details concerning the description of the parcels within the District.

AGENDA REPORT

To: Mayor Mary Mendoza and Councilmembers

From: Nick Kimball, City Manager

By: Sonia Gomez-Garcia, Interim Director of Finance/City Treasurer

Date: June 21, 2022

Subject: A Public Hearing to Consider Adoption of a Resolution Approving the Fiscal Year

2022-2023 City Budget

RECOMMENDATION:

It is recommended that the City Council:

- a. Conduct a Public Hearing; and
- b. Review and discuss the Fiscal Year 2022-2023 Proposed Budget; and
- c. Adopt Resolution No. 8157 (Attachment "A") approving the Fiscal Year (FY) 2022-2023 Budget, subject to such modifications or amendments as may be stated by the City Council in its motion to approve the Resolution.

BACKGROUND:

- 1. On February 18, 2022, the City Council held a Special Study Session to review the 2022-2027 Strategic Goals and discuss FY 2022-2023 City Council Priorities.
- 2. On February 28, 2022, staff held a Measure A/SF Town Hall meeting for the community to receive information on the City three quarter cent local transaction use tax and provided a forum for the community to ask questions to staff and provide feedback to City Council.
- 3. On March 7, 2022, the City Council received a presentation of the Annual Comprehensive Financial Report for the fiscal year ending June 30, 2021, FY 2021-2022 Mid-year Budget update, and FY 2022-2023 Budget Outlook. This marked the kick-off of the FY 2022-2023 Budget season.
- 4. During April 2022, the City Manager and Interim Director of Finance met with each Department to develop the FY 2022-2023 Proposed Budget, which includes revenues and expenditures for the General Fund, Enterprise Funds, and all Special Revenue Funds.

- 5. On April 18, 2022, the City Council received a presentation from Management Partners summarizing the City Council Priority-setting Workshop held on February 18, 2022.
- 6. On May 2, 2022, the City Council received a copy of the FY 2022-2023 Proposed City Budget and it was made available on the City's website at SFCITY.ORG/Finance/#Financial-Documents.
- 7. On May 23, 2022, the City Council held Budget Study Session No. 1 and discussed the Budget Overview, Administration Department and Public Works Department Operating and Capital Improvement Projects.
- 8. On May 31, 2022, the City Council held Budget Study Session No. 2 and discussed the Community Development Department, Recreation and Community Services Department, Police, Finance (including Information Technology), and City Clerk Department.
- 9. On June 6, 2022, the City Council held Budget Study Session No. 3, discussed the Retirement and Self Insurance Fund, Capital Grant Projects, and recommended enhancements.
- 10. On June 13, 2022, the City Council held Budget Study Session No. 4 and discussed additional enhancements that were proposed by the City Council in the prior Budget Study Sessions and the detail breakdown of proposed expenditures for Measure A and Measure SF.

ANALYSIS:

Through the Budget Study Sessions, staff has tracked City Council comments and feedback, which are summarized below and divided into two categories: 1) Budgetary Items (i.e. items that have a financial impact and require an appropriation), and 2) Work Plan/Objectives (i.e. items that impact the Department's work plan but do not require an appropriation). All of the Budgetary Items/Proposed changes are summarized in Attachment "A" Exhibit "1".

Budgetary Items by Department.

The City Council requested that staff identify other funding sources such as Grants or other Special Revenue funds to offset staff time or other costs charged to the General Fund. Staff prepares a Cost Allocation Plan annually to ensure that citywide administrative and support costs (i.e., accounting, payroll, personnel, legal, city administration) are equitably allocated and charged to internal and external funding sources. The Cost Allocation Plan funding is recorded as a revenue. For FY 2022-2023 the General Fund will recover \$1.5M in revenue from other funding sources. This amount is already included in the proposed budget.

After reviewing the Proposed Budget enhancements with City Council during the June 13, 2022 Budget Study Session, City Council supported the following budgetary impact changes to the

Proposed Budget and have been included in Attachment "A" Exhibit "1". The total Proposed City Budget for all funds is approximately \$53.8 million, including the proposed General Fund budget of \$25.2 million.

Community Development Department:

• Add a full time Community Preservation Officer to address code enforcement issues. (Ongoing:\$112,391 to be split 50% with Water Fund)

<u>Recreation and Community Services Department</u>:

- Add a Community Service Coordinator to implement Social Service programs for the community and establish a Financial Literacy program. (Ongoing: \$100,018)
- Appropriate funds to collaborate with an outside agency to implement Social Service programs and deliver services to the community. (Ongoing: \$2,500 for supplies and \$5,500 for contractual services, total \$8,000)

<u>Public Works Department</u>:

- Appropriate funds to implement the Residential Parking Permit Program to identify the parking concerns and needs. (One-time: \$100,000)
- Add a Senior Park Maintenance Specialist to address the City's backlog of street, sidewalk, bike path, and facility improvements. (Ongoing: \$110,000)
- Reduce funding for staff augmentation for Public Works Engineering from \$150k to \$75k. (One-time: \$75,000)

Finance Department:

Reduce the Liability Charge to the Self-Insurance Fund. (One-time: \$40,000)

There were no additional budgetary items identified for the Administration Department, Police Department or City Clerk Department.

Work Plan and Objectives by Department.

Based on City Council direction, staff will include performance goals and related performance indicators to align with the City strategic goals, provide clarity, and focus during the budget process. The key intention is to provide information to the community and better understanding of the City's decision-making process.

The following items have an impact on the Department's work plan, but do not require City Council consideration to appropriate funds. Unless otherwise noted, these items will be included in each Department's final work plan identified in the adopted budget.

A Public Hearing to Consider Adoption of a Resolution Approving the Fiscal Year 2022-2023 City Budget Page 4 of 8

Administration Department:

- Include additional information in the City Manager's Budget Message on the state of the City's water system with some historical information on prior capital investment and necessary improvements to make the system more resilient.
- Include additional information in the City Manager's Budget Message on the long-term plan for addressing the condition of City streets.
- Change name of proposed Deputy City Manager to Deputy City Manager/Economic Development and modify department organizational chart.
- Update the City Managers Accomplishments and Work Plan narrative to include the Deputy City Manager/Economic Development functions and proposed budget allocation.
- Analyze organizational structure of Information Technology Services to ensure it reports to the Department that has knowledge in network services.

Community Development Department:

- The correct name to be used for the economic development study approved during the FY 2021-2022 Budget process is the *Downtown Master Plan*.
- Re-word the Community Development Accomplishments and Work Plan narrative to generalize City Council actions rather than assume a certain course of action will be adopted.
- Update the department organizational chart to reflect Community Development Technician supporting Planning and Building divisions.
- More detail related to the \$75,000 professional services request to provide productivity outcomes.
 - a. Contract Building Official and supplemental Building Inspector services (\$25,000): The service outcome would be approximately 30 inspection days per year to continue to provide service to the community when the staff Building Inspector is not available due to paid time off. They will also be available to provide additional service when there are extremely busy periods and more inspections are requested then can be performed by City staff.
 - b. Contract Planning, Environmental, and Architectural Services (\$50,000): The service outcome would be the ability to review and process approximately three to four additional planning projects per month that require a higher level of review.

Police Department:

- Explore options to enhance parking enforcement or alternative methods to increase the City's parking enforcement activities.
- Pursue grant funding for one additional School Resource Officer (SRO for a total of two
 officers) through a State Tobacco Enforcement Grant. The SRO will be deployed onto
 local school campuses and will be responsible for safety and crime prevention.
 Furthermore, serve as an informal counselor to students and an educator, especially in
 areas of law enforcement and positive student behavior.

A Public Hearing to Consider Adoption of a Resolution Approving the Fiscal Year 2022-2023 City Budget Page 5 of 8

<u>Public Works Department</u>:

- Explore additional funding in the Water Enterprise Fund to increase reserves and ensure sufficient funding to add treatment facilities to all City Wells (Well 4).
- Explore changing the position title from Senior Tree Trimmer to Senior Tree Care Specialist.
- Explore funding opportunities for reconstruction of the poorest condition City streets when the slurry seal program is complete.

Recreation and Community Services Department:

- Explore setting aside CDBG funds to provide Recreation Program Scholarships to families of children with special needs.
- Set aside City Manager Appropriated Reserves funds to support Senior Programs (e.g., Mothers/Father's day dances).

Finance Department:

• Update the User Fee for Services to ensure that cost for services are recovered.

Budget Overview.

The theme of the FY 2022-2023 Proposed City Budget is to lay a solid foundation on which the next version of San Fernando will be built. The blueprint was drawn by the City Council through the 2022-2027 Strategic Goals that were adopted in March 2021. All FY 2021-2022 Accomplishments, FY 2022-2023 Objectives (i.e., Work Plan) and Enhancements have been carefully reviewed to align with the City Council Strategic Goals.

The Proposed Budget includes salary and benefit changes contained in the City's six labor agreements as well as a five percent increase to the operating budget to offset significant Consumer Price Index (CPI) increases in the current economic environment.

More than \$3.5 million in General Fund enhancement requests were submitted by City Departments. After initial review of the proposed budget, the City Manager is recommending \$740,818 in ongoing enhancements and \$415,620 in one-time enhancements in the General Fund. Furthermore, during the Budget Study Sessions, the City Council recommended additional enhancements of \$259,214. After incorporating the additional enhancements and adjustments, the FY 2022-2023 budget surplus is reduced from \$261,082 to \$1,868. More detailed information is included in (Attachment "B") "Recommended Enhancements."

More information regarding the FY 2022-2023 Proposed General Fund Budget has been provided through the scheduled Budget Study Sessions.

A Public Hearing to Consider Adoption of a Resolution Approving the Fiscal Year 2022-2023 City Budget Page 6 of 8

Measure A and Measure SF.

In June 2013, San Fernando voters approved a 0.50% local transaction use tax (Measure A) for a period of seven years. In November 2018, voters approved to extend the tax indefinitely, which will provide financial stability to the City in the near future. In November 2020, San Fernando voters approved an additional 0.25% local transaction use tax (Measure SF), for a total local transaction use tax of .75%. This effort was critical to keep sales tax local and avoid other taxing entities from passing a transaction tax that would otherwise be imposed on San Fernando customers, but spent regionally rather than locally.

The Local Transaction Use Tax is projected to raise approximately \$4.67 million in FY 2022-2023 and will continue to be used to pay off existing debt, strengthen rainy day fund reserves, enhance services to the community, and provide the financial resources necessary to implement the City's 2022-2027 Strategic Goals. More detail on City's Local Transaction Use Tax expenditures, may be found in Attachment "C" and in the City Manager's Budget Message in the Proposed City Budget document.

Capital Improvements.

The FY 2022-2023 Proposed Capital Improvement Program includes funding for a number of critical capital improvements to address the backlog of deferred maintenance, particularly street and parking lot resurfacing, water improvements and transportation and traffic safety improvements.

Funding for these capital improvements is provided primarily through Special Revenue Funds, Capital Funds and Enterprise Funds.

Budget Adoption Resolution.

The Budget Resolution (Attachment "A") authorizes staff to execute routine budget-related items without requiring additional City Council action, including the authority to:

- Update the Department work programs based on direction received from City Council at the Budget Study Session.
- Carry over and re-budget unspent Community Investments Funds from prior years.
- Carry over and re-budget encumbered operational accounts and unexpended account balances for Capital Improvement Projects from FY 2021-2022 to FY 2022-2023 with the approval of the City Manager.
- Transfer appropriations within departmental budgets (e.g., from one division to another within the same department) with the approval of the City Manager, provided it does not result in a net increase to the department's total appropriation.
- Increase revenue and expenditure appropriations provided the adjustment to revenues equals or exceeds the adjustment to expenditures. These types of adjustments typically occur during the year for items such as grants, services that are fully reimbursed by applicants, and tax audits that are conducted on a contingency basis.
- Open Blanket Purchase Orders for the purchase of routine goods and services provided the cost does not exceed the budget adopted by City Council.

BUDGET IMPACT:

The total Proposed City Budget for all funds is approximately \$53.8 million. The Proposed General Fund budget is \$25,292,128. In accordance with the City's Budget Policy, the FY 2022-2023 Proposed General Fund Budget represents a balance budget, with General Fund revenues of \$25,293,996 and expenditures of \$25,292,128 estimating a surplus of \$1,868.

CONCLUSION:

It is recommended that the City Council review the FY 2022-2023 Proposed Budget and allocate the resources required to move the 2022-2027 Strategic Goals and City Council Priorities forward in the upcoming fiscal year.

RESOLUTION NO. 8157

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN FERNANDO, CALIFORNIA, ADOPTING A BUDGET FOR THE FISCAL YEAR 2022-2023 AND ESTABLISHING ESTIMATED REVENUES AND APPROPRIATIONS AS DESCRIBED HEREIN

WHEREAS, the City Council has received and considered a proposed budget for Fiscal Year 2022-2023, commencing July 1, 2022, and ending June 30, 2023; and

WHEREAS, the City Council has reviewed and modified the proposed budget and conducted a Public Hearing on the budget on June 21, 2022; and

WHEREAS, the City Council has determined that it is necessary for the efficient management of the City that certain sums raised from revenues, transfers, and reserves of the City be appropriated to the various departments, offices, agencies and activities of the City;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SAN FERNANDO DOES HEREBY RESOLVE, FIND, DETERMINE AND ORDER AS FOLLOWS:

SECTION 1: An annual budget for the City of San Fernando for the fiscal year beginning July 1, 2022 and ending June 30, 2023, a copy of which is on file in the City Clerk's Office (the "Annual Budget"), is hereby adopted; that Annual Budget being the proposed budget, as amended, modified and corrected in open study sessions before the City Council.

SECTION 2: The sums of money set forth in the Annual Budget are hereby appropriated from the revenues and the reserves of the City of San Fernando to the respective funds and accounts therein set forth for expenditure during Fiscal Year 2022-2023 for each of the several objects of Salaries and Wages, Operations and Maintenance, Capital Outlay and Public Improvements.

SECTION 3: The sums of money set forth in Exhibits "1", "2", "3", "4", "5", "6" and "7" are hereby appropriated to the following named departments, offices, agencies and activities of the City for expenditures during Fiscal Year 2022-2023 as shown in Exhibits "1", "2", "3", "4", "5", "6" and "7".

SECTION 4: Work programs in the published adopted budget shall be revised to reflect necessary updates and direction from the City Council on May 23, 2022, May 31, 2022 and June 6, 2022.

SECTION 5: Account balances that are encumbered as of June 30, 2022 may be carried over and re-budgeted in the fiscal year 2022-2023 budget with the approval of the City Manager or his/her designee.

- **SECTION 6:** The unexpended account balances, as of June 30, 2022, for Capital expenditures, capital grants, and Capital Improvement Projects may be carried over and rebudgeted in the fiscal year 2022-2023 budget with the approval of the City Manager or his/her designee, provided it does not exceed the prior year adjusted budget.
- **SECTION 7:** Appropriation transfers may be made within departmental budgets from one functional category to another or from one division or section to another with the approval of the City Manager or his/her designee, provided there is no net increase in the department's total appropriation.
- **SECTION 8:** Appropriation transfers to cover retirement/termination related leave payoffs may be made from the non-departmental contingency account to accounts within the budget categories of the various departments, divisions and offices with the approval of the City Manager or his/her designee.
- **SECTION 9:** The City Manager or his/her designee is authorized to increase revenues and appropriations to cover contract costs incurred in connection with tax audits that are incurred on a contingency fee basis, provided the adjustment to revenues equals or exceeds the adjustment to appropriations.
- **SECTION 10:** The City Manager or his/her designee is authorized to increase revenues and appropriations to cover contract costs such as reimbursable planning services, recreation enrichment classes, youth sports programs or other services that will be reimbursed by an applicant, provided the adjustment to revenues equals or exceeds the adjustment to appropriations.
- **SECTION 11:** The City Manager or his/her designee is authorized to increase revenues and appropriations for all grant funded programs and projects, provided the adjustment to revenues equals or exceeds the adjustment to appropriations.
- **SECTION 12:** The Purchasing Officer is authorized hereunder to proceed with purchases of goods and services under Blanket Purchase Orders for vendors identified in Exhibit "7" provided the total cost for goods and services does not exceed the "not-to-exceed" amount for each vendor. The Purchasing Officer is authorized to increase each Blanket Purchase Order identified in Exhibit "7" in an amount not-to-exceed the Purchasing Officer's purchasing authority of \$25,000 per Blanket Purchase Order.
- **SECTION 13:** No such carry overs or transfers authorized pursuant to the foregoing paragraphs shall be construed as establishing additional regular positions without prior approval of the City Council.

SECTION 14: The City Manager or his/her designee is authorized to carry over any unspent funds from the Community Investment funds from all prior fiscal years.

PASSED, APPROVED, AND ADOPTED this 21st day of June, 2022.

Project Description:

This project will replace an existing 1MG concrete reservoir with a new 1.1MG rectangular reservoir. The existing Upper Reservoir is a partially buried, circular reinforced concrete reservoir that was damaged due to seismic activity and has been operating at reduced capacity to avoid leakage. Due to this damage, the reservoir needs to be replaced to protect the public from catastrophic failure during major earthquake or natural disaster, provide increased operational flexibility, and effectively meet water demands.

Schedule: Construction contract was awarded in April 2022. Construction will begin in the field in June 2022 and will be completed by December 2023.

Title: Nitrate Treatment System – Well 2A/3A

Total Uses		\$	1,652,110

Project Description:

The second phase of the nitrate treatment system at Well 3 will allow for all four wells in the City's water system to operate and ensure resiliency and a consistent water supply. The ion exchange treatment technology is the same that was developed and installed successfully for Well 7A in 2018. The new system will be installed next to the existing Well 7A system. The two systems combined can treat all the water extracted from Well 3 and Well 7A. It can also be used to treat water extracted from Well 2A.

Schedule: The system was purchased and has been under construction since November 2021. It is expected to be completed and in operation by December 2022.

Project Description:

This project includes the upgrades to the electrical panels at the Well 2A, which outdated and undersized. Well 3 requires a new pump before initiating the new treatment system. The lower reservoir requires an expansion of the concrete pads that support the treatment systems and salt tanks. Piping, valve, electrical, and access road modifications are also needed to get prepared for the expanding nitrate treatment systems.

Schedule: Upgrades will begin in May 2022 and will be completed by December 2022.

AGENDA REPORT

To: Mayor Mary Mendoza and Councilmembers

From: Nick Kimball, City Manager

By: Matt Baumgardner, Director of Public Works

Date: June 21, 2022

Subject: Discussion and Consideration Regarding Implementation of Senate Bill 1383, its

Impact on the City's Solid Waste Collection Franchise Agreement and Related

Options

RECOMMENDATION:

It is recommended that the City Council:

- a. Receive and file this informational report on the Implementation of Senate Bill 1383 and its impact on the City's Solid Waste Collection Franchise Agreement;
- b. Discuss the options of extending the contract versus completing the contract through its expiration in February 2024; and
- c. Provide direction to staff, as appropriate.

BACKGROUND:

- 1. On December 9, 2013, the City Council approved Contract No. 1731 with Republic Services for residential and commercial solid waste collection services for a ten-year period from February 15, 2014 through February 14, 2024.
- 2. In September 2016, Governor Brown signed into law Senate Bill 1383 (SB 1383), establishing methane emissions reduction targets in a statewide effort to reduce emissions of short-lived climate pollutants (SLCP) in various sectors of California's economy. The law grants the California Department of Resources, Recycling and Recovery (CalRecycle) the authority to develop regulations required to achieve the organic waste disposal reduction targets set forth in the Bill.
- 3. From 2016 to 2020, CalRecycle developed regulations to achieve the goals of SB 1383. These new regulations were finalized by CalRecycle in November 2020 and took effect in January 2022.

Page 2 of 5

4. On November 1, 2021, the City Council adopted Ordinance No. 1703 regarding the implementation of organic waste reduction regulations required under SB 1383.

ANALYSIS:

The chief purpose of SB 1383 is to reduce methane production in the State, which is a powerful greenhouse gas that is up to 84 times stronger than carbon dioxide. SB 1383 establishes targets to achieve a 50 percent reduction in the level of the statewide disposal of organic waste from the 2014 level by 2020 and a 75 percent reduction by 2025, which equates to approximately 20 million tons of organic waste annually. SB 1383 also establishes an additional target that not less than 20 percent of currently disposed edible food is recovered for human consumption by 2025.

The City, through its adoption of Ordinance No. 1703, is required to meet regulations set forth by CalRecycle that focus on six areas:

- 1. Providing organics and recycling collection services for all residents and businesses.
- 2. Preventing contamination by monitoring waste disposal for proper sorting and separation through regular audits of waste bins.
- 3. Education and outreach to all residents and businesses through a variety of outlets including, but not limited to, mailers, newsletters, informational booths at City events, inperson training, and social media and website postings.
- 4. Capacity planning that focuses on ensuring there are sufficient composting facilities to manage all of the organic waste that is being diverted from landfills. Planning efforts are also required to ensure there are adequate food recovery resources in the region to take in edible food from certain sized food generators and distribute to people experiencing food insecurity.
- 5. City policy on the procurement of recycled organic waste products, such as mulch, compost, paper, as well as renewable energy.
- 6. Edible food recovery efforts that requires the identification of all of the food generators in the City, linking them with food recovery resources, and monitoring their delivery of edible food to ensure compliance with annual recovery targets of 20 percent.

Republic Services Proposed Rate Adjustment.

In response to Ordinance No. 1703, Republic Services staff developed a rate adjustment proposal that incorporates the new requirements under SB 1383. The need for the increase is related to the following one-time and on-going costs to be incurred by Republic Services:

Discussion and Consideration Regarding Implementation of Senate Bill 1383, its Impact on the City's Solid Waste Collection Franchise Agreement and Related Options
Page 3 of 5

- Additional driver to cover new organics collection routes throughout the City (on-going)
- Additional vehicle (one time) and associated operating costs (on-going)
- New carts and bins (one time)
- Change out of lids on all existing carts with required diversion instructions (one time)
- Compliance Monitoring Staff for auditing and reporting of organics diversion (on-going)
- Organics and Recycling material processing costs (on-going)
- Educational outreach, Edible food recovery management, data collection (on-going)

The proposed adjustment to residential rates would increase from \$18.46 to \$22.93, on a monthly basis.

The proposed adjustment to commercial service depends on the level of service needed for the business. For the purpose of demonstrating the commercial rate adjustment, a basic level of service for an average business customer includes a three-yard waste bin serviced once a week (1x3x1), a 96-gallon recycling cart, and a 64-gallon organics cart. Using this service level, the proposed adjustment would increase from \$173.93 to \$227.64, on a monthly basis.

The following table reflects the comparison between the proposed rate adjustments and existing rates found in other nearby municipalities:

Municipality	Residential	Commercial*	1383 Compliant?	
Santa Clarita	\$26.31	\$258.97	No	
Santa Clarita Valley	\$28.20	N/A	No	
La Canada Flintridge	\$36.32	\$256.98	No	
La Canada Flintridge	\$39.50	\$217.00	No	
La Canada Flintridge	\$26.00	\$145.00	No	
Burbank	\$52.92	\$331.09	No	
La Crescenta/Montrose	\$29.76	N/A	No	
Chatsworth/West Hills	\$39.35	N/A	No	
Los Angeles	\$36.00	\$382.35	No	
Average (of above):	\$34.93	\$265.23		
San Fernando (current)	\$18.46	\$173.93	No	
San Fernando (proposed)	\$22.93	\$227.64	Yes	

^{*} Note: The commercial rate reflects the cost for servicing 1x3x1/96-gal recycling/64-gal organics

When comparing the proposed rate adjustments to the average of nine other municipalities, residential and commercial rates would be \$12.00 and \$37.59 less expensive per month, respectively. It should also be noted that none of the nine municipalities have adjusted rates to reflect services that are compliant with SB 1383, while the San Fernando proposed rates are SB 1383 compliant.

Discussion and Consideration Regarding Implementation of Senate Bill 1383, its Impact on the City's Solid Waste Collection Franchise Agreement and Related Options
Page 4 of 5

Per Section 10.03.3 of Republic Services' contract, rate adjustments can be made when there are any new local, State, or Federal regulations that cause the contractor to incur extraordinary costs that are required for compliance. The rate adjustment proposal provided by Republic Services is in exchange for the City extending the contract period for the total option year periods. The contract allows the City at its sole discretion to extend the contract for three additional one-year periods. Therefore, Republic Services is requesting that the City extend their contract all at once from February 14, 2024 until February 14, 2027. Republic Services would honor the proposed rate adjustments through February 2027, except for annual CPI adjustments allowed under the contract.

If the City intends to extend the contract with Republic Services, there is a contractual obligation to notify them no later than 18 months prior to the contract expiration date, or August 14, 2022.

BUDGET IMPACT:

Republic Services directly invoices residential and commercial customers. Under the proposed rate adjustments, residential customers will see an increase of \$4.47 a month (24.2 percent increase). The impact to commercial customers will depend on the type of business and service. Looking at the basic level service for an average business, commercial customers will see an increase of \$53.71 a month (30.9 percent increase).

Republic Services pays a 10 percent franchise fee to the City for providing solid waste collections services to our residents and businesses. Any change to Republic Services' revenues would result in a corresponding change to the franchise fee paid to the City. As an example, the City received approximately \$316,962 in franchise fees from Republic Services in 2021. This would increase to \$408,354 for an approximate increase of 28.8 percent.

CONCLUSION:

It is recommended that the City Council receive and file a report from staff on the proposed rate adjustments and potential contract extension to Republic Services and provide direction to staff on the following options:

- Return to City Council with a 3-year extension to Contract No. 1731 that reflects the proposed rate adjustments, as well as other contract language modifications to ensure compliance with SB 1383.
- 2. Continue with the current contract until the expiration date of February 14, 2024.
 - i. Request a new and separate rate adjustment proposal for the remainder of the contract period in order for the City to be in compliance with SB 1383.

Discussion and Consideration Regarding Implementation of Senate Bill 1383, its Impact on the City's Solid Waste Collection Franchise Agreement and Related Options
Page 5 of 5

- ii. Return to City Council with an amendment to Contract No. 1731 that reflects this separate rate adjustment until the expiration date of February 14, 2024.
- iii. Begin a new bid solicitation process for Solid Waste Collections Services by June 15, 2023.
- 3. Any other direction the City Council deems appropriate regarding the potential contract extension or rate adjustments.
